THE PORT AUTHORITY OF NY & NJ

SPRING 2012

CONSTRUCTION COST ESTIMATING

The **Regional Alliance** is offering a comprehensive **two day training course** in **Construction Cost Estimating**. This course sponsored by **The Port Authority of NY & NJ** is designed to increase the ability of M/W/S/DBE firms to effectively bid and perform on Port Authority projects. A Certificate of Completion will be awarded after successful completion of the program.

COURSE DESCRIPTION: The intensive **Construction Cost Estimating** workshop will expose participants to the resources necessary to learn how to estimate the construction costs of building projects, making use of modern technology and following the methods employed by successful general contractors. The workshop is intended for the person who is beginning to learn the process of cost estimating in a construction organization. The workshop will also be of interest to construction managers, supervisors, and practicing estimators who, from time to time, may wish to refer to a source of estimating data.

Classes will be held at
