Dear Mr. Duffy:

Under provisions of the state Freedom of Information Law and the Freedom of Information Code of the Port Authority of New York and New Jersey, I am requesting access to or copies of the appointment calendars/appointment schedules of Director of Interstate Capital Projects David Wildstein. I am seeking Mr. Wildstein's appointment calendars/appointment schedules for the period since he joined the agency until the date of this letter.

As a journalist working with tight deadlines, I would appreciate whatever consideration you can give to expediting my request. Should any portion of the materials become available before others, I would request that those materials be made available to me as soon as possible rather than wait for the entire package.

I am requesting these records in a digital format, if possible, via e-mail or on a CD-ROM disk. I am willing to pay the cost of the disk, or for copying, if necessary, if a digital format is not available. I am prepared to arrange for copies of the records to be shipped by Federal Express if they are too cumbersome to be faxed, but please notify me if the copying costs exceed $50.

Thank you for your cooperation. If you have any questions feel free to contact me at 212-556-8468.

Sincerely,

William K. Rashbaum
