**Private investment = $15 Billion**

**PANYNJ investment = $3.9 Billion**

**Leveraging public dollars at a 4:1 ratio**

***Total JFK investment = $18.9 Billion***

# JFK Transformation

- The terminals being replaced were built over 50 years ago – outdated and undersized
- All of these changes are part of a thoughtful, integrated JFK vision plan -- just like LGA
- LGA was $8 billion and this is a $19 billion overhaul – massive changes coming to JFK
- Two new world-class terminals anchoring the north/south sides and major expansion to T4

# JFK Transformation – New Terminal 1

- Enormous, modern terminal with spacious ceilings to serve dozens of major international airlines and provide NY sense of place
- State of the art technology, best-in-class sustainability practices, appealing public art, and popular local New York concessions
- Project will create more than 10,000 new jobs, including 6,000 construction jobs and billions in local and MWBE contracts
- Majority of New gates opening in 2026
- World Class

# JFK Transformation – New Terminal 6

- Spacious, airy floor-to-ceiling windows and high ceilings connected to existing Terminal 5 (JetBlue) with a NY sense of place
- State of the art Security screening and check in facilities
- Locally-based restaurateurs, craft beverage options and Taste of NY stores
- Inspiring public art by New York-based artists and architectural elements depicting New York landmarks
- Project will create 4,000 jobs, including 1,800 jobs in construction
- First gates opening in 2026
- World Class

# JFK Transformation – The Next Few Years

- Our experience at LGA will inform our JFK strategy -- very proactive
- A full 24/7 Airport Operations Center monitoring traffic
- Temporary changes to pick up areas for shared rides and taxis
- AirTrain impacts, including a 7 month closure of T1 station starting 5/1
- We recognize that construction presents challenges for passengers
- There will be inconveniences – we will work hard to minimize them
- We apologize in advance and ask travelers for their patience
- If you have traveled through LGA recently we hope you'd agree: it's all worth it

Terminal B LaGuardia Airport

"LaGuardia Terminal B has been named the world's best new airport terminal. The honor was based on a global passenger survey conducted by airport rating firm Skytrax. Terminal B was also the first airline terminal in North America to get the highest global 5-star airport terminal rating from Skytrax*."
