RECORDS REQUEST

Dear Records Request Officer:

Pursuant to the state open records act, I request access to the copies of the approved product list for item number 00708, which was the basis of Fine Organics protest letter. This resulted in the cancellation of contract 4600008594 as an outcome of fair bidding of RFQ# 6000101193.

Further it is requested we receive a written explanation of why Fine Organics was privileged to this information to base their protest letter while Grignard Company, LLC was denied this Approved Product List which was different than the Qualified Product List listed in the RFQ# 6000101193. According to Nancy Ubilla purchasing, the two lists are supposed to be the same.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Etienne Grignard
