RE: World Trade Center Construction Project
East Truss – Transportation Hub
Freedom of Information Policy Request
Our file No.: 13752.001

Dear Sir/Madam:

We represent Greiner Industries, Inc., ("Greiner") a sub-contractor of Solera/DCM JV ("Solera") in connection with the above construction project.

I am writing to you to request pursuant to the Port Authority's Freedom of Information Policy:

The project number for the above referenced construction project;

A certified and complete copy of the general construction contract between Solera and the Port Authority of New York & New Jersey, any amendments to the contract, and any and all modifications to said contract;

A certified and complete copy of any performance and/or materialsman bond filed in connection with the above construction project;

Whether the Port Authority of New York and New Jersey is a public corporation for purposes of filing a Mechanic's lien on a public improvement under section 5 of the Lien Law; and

The name and address of the head of the department or bureau having charge of the construction project in which a notice of lien must be filed.

We are requesting these documents and information since Greiner has performed work in connection with the above referenced construction project and they have not been paid by the contractor, Solara, for the work that they have performed.

Kindly send a copy of the aforementioned documents and information to me as soon as possible since we need the aforementioned documents to file a mechanic's lien.

Thank you very much for your assistance in this matter. In the event you have any questions, feel free to contact the undersigned at the above address and number.

Very truly yours,

William J. Cortellessa

Re: Freedom of Information Reference No. 12808

Dear Mr. Cortellessa:

This is a response to your November 17, 2011 request, which has been processed under the Port Authority's Freedom of Information Policy (the "Policy") for the project number for the WTC construction project - East Truss - Transportation Hub, a certified copy of the contract between the PA and Solera, a certified copy of any Performance and/or Material Bond filed in connection with the project..

Material responsive to your request for the project number and available under the Policy, which consists of 1 page, is enclosed, for a 25¢ photocopying charge for this material (25¢ per page). Payment should be made in cash, certified check or money order payable to "The Port Authority of New York & New Jersey" and should be sent to my attention at 225 Park Avenue South, 17th Floor, New York, NY 10003.

We have searched our files and found no records responsive to the remainder of your requests.

Please refer to the above FOI Reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
