Re: Freedom of Information Reference No. 14212

Dear Mr. Duffy,

Thank you for your reply to my initial request for information regarding my inquiry related to my employment at the NY & NJ Port Authority.

In response to your reply, I am submitting more specifics in the hopes this information would help further identify my employment with the NY & NJ Port Authority.

I had initially thought the time frame was 1968/ 1969 and now realize the years involved were actually 1967 /1968.

With that said, I would like to request a copy of my payroll record that was made to me under the name of Christopher Albanese between June 15, 1967 and August 15, 1967 and also between June 15, 1968 and August 15, 1968.

Kindly also note that I have also reached out to the Social Security Administration (SSA) for a copy of my work history to verify my employment with the NY & NJ Port Authority, however, my SSA work history just mentions the term "RAILROAD" with no other additional information.

I do recall working the Midnight to 8:00 AM shift as a maintenance worker at the Hoboken, NJ Terminal during this time period.

As previously mentioned, I am also enclosing the last four digits of my social security number to help make it easier to perform the search xxx-xx-5679.

If you should have any questions regarding this request, please contact me at the telephone number below or at Email address deb_albanese@yahoo.com.

Thank you again for all of your time and efforts in assisting me with this request. It is appreciated.

Sincerely,

Christopher Albanese
