Re: Freedom of Information Reference No. 14754

Dear Mr. Payton:

This is in response to your March 12, 2014 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code"), for "copies or the generation of logs, lists and other documents that detail all gifts associated with the 911 attacks and the World Trade Center that were given by the Port Authority of New York New Jersey from January 19, 2010, to the present. These records should detail the date any gift was given, the estimated value of the gift, and the recipient of the gift as available. I am also requesting copies of any photos, pamphlets, and prepared speeches documents surrounding any ceremonies associated with the distribution of the gifts already mentioned above from January 19, 2010, to the present."

Please be advised that there are no gifts relating to the September 11th attacks. We do have records relating to artifacts recovered from the World Trade Center that were given to municipalities and other nonprofit entities upon request. The documents available under the Code can be found on the Port Authority's website at http://www.panynj.gov/corporate-information/foi/14754-O.pdf. Paper copies of the available records are available upon request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
