Re: Bicyclist accident Michael J Quill Bus (6745) 06/08/14

Please be advised that on 06/16/14 At Approxamely 11:30 am I conducted an interview via the telephone with lieutenant (LT) Acque of the Port Authority Police. The Lt stated to me that he had obtained video footage of the bicyclist accident that had occurred on 6/8/14 from a video camera that was mounted on the Christopher Street entrance of the Path subway entrance. Officer Acque advised me that he was unable to allow the Transit Authority to view or receive a copy of the video. He stated that he was informed by his superior that the video would be turned over to there legal department. I am requesting a copy of the video to be released to the New York City Transit Safety division at 750 Zerega Avenue Bronx NY 10473 telephone 347 643-5062 Attention Director Of safety and Training Benjamin Serrano. The viewing of this video would allow us to conduct and finalize our investigation and conclusion of this occurrence. Thank You for your assistance in this matter.
