Of those, I want a full accounting of which of the people the Port Authority arrested or otherwise detained. I want copies of the police reports or a spreadsheet that details the names of the people, their addresses, their gender, their race, their date of birth, the date of the incident, a full description of the incident and the result of the referral, whether it resulted in an arrest or in police letting the person go. If it ended in an arrest, I want a detail of the charges, whether police referred the person to another agency ICE for example and why.
