

## SELF-ATTESTATION FORM

## AFFIDAVIT OF COMPLIANCE FOR DESIGNATION AS A "GREEN" PRODUCT

I \_\_\_\_\_ (name), the \_\_\_\_\_ (title) of \_\_\_\_\_ (company name), certify under penalty of perjury that \_\_\_\_\_ (name of manufacturer), the manufacturer of \_\_\_\_\_ (name of product), has provided documentation that the product listed above meets or exceeds the standards of Green Seal Standard \_\_\_\_\_ (fill in applicable number), or EcoLogo Standard \_\_\_\_\_ (fill in applicable number), or Design for the Environment \_\_\_\_\_ (check if applicable) as indicated below.

\_\_\_\_\_ (name of product) has been tested or evaluated by \_\_\_\_\_ (name of laboratory, organization, or company) for all criteria or characteristics of:

\_\_\_\_\_  
(Type or print in Green Seal Standard number or EcoLogo Standard number or Design for the Environment reference as applicable)

***Attached is written proof that the product has been tested and meets or exceeds the standards of Green Seal, EcoLogo, or Design for the Environment.***

I understand and agree that with respect to this submission for designation of \_\_\_\_\_ (insert product) as a "green" product, the Port Authority of New York and New Jersey may require additional information and documentation, which information shall be supplied by the submitting firm to the Port Authority.

I further certify that, in the event that I learn of a change in product content for the product listed above, which would no longer accurately reflect prior product chemical content and compliance, I agree that my company will provide the Port Authority of New York & New Jersey notice of any such changes and re-submit the necessary documents from the product manufacturer for approval as a designated "green" product.

I understand that, should a determination be made that false or misleading information was knowingly submitted or omitted as part of this affidavit submittal, it will result in the product for which this affidavit is submitted not being denoted as a designated "green" product. Additionally, I understand that intentional submission of false or misleading information may constitute a felony or misdemeanor under applicable laws of the States of New York and New Jersey.

Testing has been performed, as appropriate, in a laboratory that practices generally recognized high levels of quality assurance and quality control appropriate for the analysis and studies that have been performed.\*

**\*Laboratory accreditation for testing that meets or exceeds ISO/IEC 17025:2005 standards is preferred. Accreditation or registration of the laboratory under the ISO 9000 series of standards or a comparable other generally recognized standard is also acceptable.**
