

## THE PORT AUTHORITY OF NY & NJ FEBRUARY 2016 TRAFFIC REPORT

### Aviation Department

Passenger traffic performance at ACY grew by 2.9 percent. Spirit, the dominant carrier at the airport, grew 4.4 percent as it carried 3,948 additional passengers. Spirit's seat capacity, too, showed a solid increase, up 10.4 percent. Fort Lauderdale, Fort Myers, Tampa, and West Palm Beach all enjoyed double-digit increases in seat capacity. International traffic, which is mostly charter, posted its third consecutive monthly drop as it fell 16.7 percent. Domestic charter activity fell 16.7 percent. As we have stated in previous airport traffic reports, the reduction in charter activity at ACY is related to a decline in the city's casino business.
