

THE PORT AUTHORITY OF NY & NJ OCTOBER 2015 TRAFFIC REPORT

Month		Year-to-date		12 Months Ending	
Current	%	Current	%	Current	%

The airport handled 3.2 million passengers - up 9.5 percent and pushing YTD traffic 4.9 percent higher. Continuing a trend established earlier this year, EWR's traffic growth was led by the domestic sector, which posted a 14.8 percent increase. Airlines expanded domestic capacity by 11.5 percent, with United's 15.7 percent seat capacity expansion and accounting for 92 percent of the domestic passenger gain. In contrast, international traffic was down 1.7 percent following two months of increased activity. International seat capacity fell 5.4 percent, led by cuts from United, Virgin Atlantic and British Airways. Freight at EWR continues to lead the region's cargo growth. Though October registered a modest 1.4 percent increase, YTD October cargo continues to perform well, up 6.1 percent.
