

January was a feel good month. Passenger traffic beat the ATA total growth rate and set a record for January. Real growth, however, was lower than it appears due to a continued Y2K effect and a severe snow storm in January 2000. International passenger traffic suffers from gateway competition. February traffic will fall off. Freight still lags.

## THE PORT AUTHORITY OF NY & NJ JANUARY 2001 TRAFFIC REPORT

Current month, 12 months ending, year-to-date totals  
Showing percentage change from prior year period
