

STEWART INTERNATIONAL AIRPORT – SCHEDULE OF CHARGES
For The Use Of The Public Landing Area, and Related Areas and Services

I. Public Landing Area Charges

1. (a) The charge for each scheduled airline take-off shall be \$1.40 (effective 01/01/2014) per thousand pounds of maximum gross weight.
- (b) The charge for each cargo non-scheduled airline or general aviation aircraft take-off shall be \$1.53 (effective 01/01/2014) per thousand pounds of maximum gross weight, provided that the minimum charge for each such take-off shall be as follows:

<u>Maximum Gross Take-Off Weight</u>	<u>Fixed Wing</u>	<u>Helicopter</u>
0-5000 pounds	\$5.00	\$2.50
5001-10,000 pounds	\$10.00	\$5.00

2. Maximum gross weight for take-off shall mean the maximum gross weight which an aircraft may lawfully have, at the time of leaving the ground at any airport in the United States (under the most favorable conditions which may exist at such airport and without regard to special limiting factors arising out of the particular time, place or circumstances of the particular take-off, such as runway length, air temperature, or the like.) If such maximum gross weight is not fixed by or pursuant to law, then said phrase shall mean the actual gross weight at take-off.
3. In the event an aircraft departs from the Air Terminal for another destination, which aircraft, without making a stop at another airport, is forced to return to and land at the Air Terminal because of meteorological conditions, mechanical or operating causes, or for any similar emergency or precautionary reason, such charge shall not be payable in connection with the subsequent departure of such aircraft or a substituted aircraft; provided, however, that on such subsequent departure the aircraft or substituted aircraft is destined for the same point and transports the same or substantially the same load.
4. Landing fees shall be paid monthly in arrears for the previous month's activity. Landing Fees shall be due and payable on or before the twentieth day of the month after the month in which they were incurred. The Airline hereby acknowledges that it shall base its calculation and payment of Landing Fees on the Airline's Statement, which Statement shall accompany such payment.

II. Public Passenger Ramp and Apron Area Charges

1. For an aircraft remaining on the public passenger ramp and apron area for more than 10 minutes after the Manager of the Air Terminal has directed that such aircraft be removed because of congestion of aircraft on the said area, the urgency for making space available for other aircraft, snow removal, or other operational requirements, which said notice shall not in any event be given to an aircraft which has been assigned a parking position until the aircraft has been on such area for 20 minutes.

For the first 15 minutes or fraction thereof	\$50.00
For each additional 15 minutes or fraction thereof	\$100.00

III. Public Aircraft Parking and Storage Area Charges

1. Airlines with other than scheduled service having aircraft parked in any area designated and controlled by the Airport Operator will be subject to the following charges:

(a) Domestic flights shall not be charged for the first two (2) hours and international flights shall not be charged for the first three (3) hours.

(b) Charges for additional time beyond that specified in III.1.a above for each eight (8) hour period or fraction thereof:

(1) For design group I & II aircraft	\$75.00
(2) For design group III & IV aircraft	\$125.00
(3) For design group V & VI aircraft	\$250.00

2. General Aviation aircraft parked in any area designated and controlled by the Airport Operator will be charged \$1.25 per 1,000 pounds of maximum gross weight for take-off for each eight (8) hour period of fraction thereof after an initial one (1) hour grace period.
3. Maximum gross weight for take-off shall have the meaning set forth in the Public Landing Area Charges of the Schedule of Charges.
4. Operators of aircraft who have entered into agreements with The Port Authority of New York and New Jersey for the non-exclusive use of a portion of the public aircraft parking and storage areas sufficient to

accommodate their aircraft, shall not be subject to payment of the charges set forth in this section.
