

KEEPING THE LINCOLN WORKING

Beginning early to mid-July, and continuing for 4 weeks, the concrete ramp leading from the westbound Helix roadway to Boulevard East in Weehawken will be closed for complete reconstruction.

Motorists exiting the westbound Lincoln Tunnel who require access to Boulevard East will be required to use the Hoboken tunnel and detour to Boulevard East using 19th Street in Weehawken.

This roadway improvement is part of the **The Helix Fix**, a Port Authority of New York and New Jersey project that will undertake a major rehabilitation of the Lincoln Tunnel approach roadway.

We are committed to keeping the community informed and up to date on project details. Want more information? We are here to help! Call us toll-free at **1-855-744-0144** or email us at **thehelixfix@panynj.gov**. Be sure to visit our Web site at **TheHelixFix.com** for project details and to sign up for project updates to be sent to you.
