2016 Contractors' Clearinghouse

Friday, April 1, 2016
8:30 am—12:00 noon

Featured Presentation by

Richard Kennedy
Chief Operating Officer
Skanska USA Building

LaGuardia Airport Terminal B Redevelopment Project

The LaGuardia Airport Terminal B Redevelopment Project is part of the Port Authority of NY& NJ's extensive capital redevelopment program at LaGuardia Airport (LGA). The program is expected to include the demolition of the existing Central Terminal Building and associated infrastructure and the construction of a new 1.3 million square foot, 35-gate terminal building; a new aeronautical ramp; frontage roads that will serve the new terminal; a new central heating and refrigeration plant; and other utilities and site improvements. The project is a public-private partnership between the PANY&NJ and LaGuardia Gateway Partners (LGP), the preferred proposer selected by the PANY&NJ to partially finance, design, build, operate and maintain the project. LGP is composed of Vantage Airport Group, Skanska and Meridiam for development and equity investment; Skanska-Walsh as the design build joint venture for construction; HOK and WSP | Parsons Brinckerhoff for design; and Vantage Airport Group for management of the operations.

The Contractors' Clearinghouse also offers a chance to meet and speak one-on-one with representatives from numerous public agencies and private sector firms located in the NY/NJ region in one location.

- ◆ Learn about upcoming construction projects for 2016
- ◆ Learn how to do business with participating agencies and major construction firms.
- ◆ Network with old friends and establish new contacts.
- ◆ Learn about the Regional Alliance Construction Management Certificate Program and other training courses for small contractors.

The updated Clearinghouse Resource Book will be distributed containing relevant contract information, supplied by participating sponsors, including contact names, addresses and telephone numbers.

Continental Breakfast will begin at 8:30 a.m.
