To prospective Bidder(s) on Bid # 46058 for Inspection, Maintenance, Testing, Repair and Central Station Monitoring Services for the Fire Alarm and Suppression Systems at George Washington Bridge Facilities-Three (3) Year Contract

Due back on 6/9/2016, no later than 11:00 A.M.

I. CHANGES/MODIFICATIONS

The following changes/modifications are hereby made to the solicitation documents:

Part V-“Specifications”, In Attachment “A” page 26, Item 3 “Control Systems – Communication Center, the Control Panel” the FACP manufacturer is Edwards EST-2.

II. BIDDER'S QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of

the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

Question #9	How many times has either the FM200, Halon tanks or any of the suppression system tanks have needed to be refilled or replaced?
Answer #9	The West Chem Tank located in the cafeteria was replaced once. No other suppression system tanks have been refilled or replaced.
Question #10	Was the current contract pricing for the fire alarm \$79,800 and the fire suppression \$45,750 for a total of \$125,550?
Answer #10	Please refer to Contract pricing in Addendum #2.

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
