<b>Question #1</b>	The current pricing sheet adds \$2,500.00 to the Contractor's percentage. We are requesting clarification/correction of the pricing sheet so that we know if the word discount was omitted. Adding to the \$2,500 pool of money allocated for additional tests does not make sense to us. Our view is that we should be providing a discounted percentage on the \$2,500.00 pool of money and the line item would then be less than \$2,500.00, not more.
<b>Answer # 1</b>	See Above.

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
