Clarification

As described in Section 8.N.1 of the RFP, the Port Authority of New York and New Jersey (the Authority) has the right to "request any or all Proposers to make a presentation." The Authority anticipates having said presentations with **select** Proposers during the afternoons of **July 8, 2013, July 11, 2013, and July 16, 2013**. The Authority further anticipates holding these onsite presentations at its facility in midtown Manhattan.

While such presentations **are not guaranteed** for every Proposer, the Authority encourages prospective Proposers to plan for such onsite presentations accordingly. Specific instructions regarding the presentations will be conveyed to select Proposer(s) in an invitation to make a presentation, which will be conveyed sometime after the proposal due date (June 4, 2013).

The information conveyed herein, including the anticipated dates of the presentations, is subject to change at the Authority's discretion.

This communication should be initialed by you and annexed to your proposal upon submission. In case any Proposer fails to conform to these instructions, its proposal will nevertheless be construed as though this communication had been so physically annexed and initialed.
