Dear Sir or Madam:

The following questions were received from RFP recipient(s). The questions and corresponding Authority answers are provided for your information and use, as appropriate.

**Question:** In Attachment E , FAA Required Contract Provisions of the subject RFP indicates on page 6 of 34 and page 8 of 34 that the bidder must complete, sign, date and submit this certification with their proposal; however they are not listed as part of Section II , Proposal Submission Requirements.

Please clarify that they are required as part of the proposal submission at this time.

**Response:** *The certifications are to be completed at the task order level, as referenced in Attachment E, page 5 of 34, first sentence, as follows:*

*“When bidding on a task order for an AIP funded project that specifies that a Buy American certification is required, a bidder or offeror must submit the appropriate Buy American certification (below) with all bids or offers. Bids or offers that are not accompanied by a completed Buy American certification must be rejected as nonresponsive.”*
