The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

<i>Question #1</i>	<p>Section 7. State Allocated ICS Training (pg 43) the contractor shall provide state allocated ICS training through the DHS Cooperative Agreement Program at no cost to the Port Authority. These classes include but are not limited to ICS 300, ICS 400 and L449 Train the Trainer. It is estimated that there will be not more than six (6) classes per year of any combination of the above classes.</p> <p>Does the above require that the contractor be a DHS Cooperative entity or require a partnership with a DHS Cooperative Entity? Or does the above imply that the PANYNJ will only pay a specific amount for said training (funded by DHS) with no fee levied upon it? Or in the absence of a partnership with a DHS Cooperative Entity such as TEEX, that the courses would be provided for free?</p>
<i>Answer #1</i>	<p>The Contractor shall be a DHS Cooperative entity and/or joint ventured or subcontracted with a DHS Cooperative entity at no cost to the Port Authority.</p>
<i>Question #2</i>	<p>One of the prerequisites is for \$3,000,000.00 per year for two years in the area of ICS/IMT training and planning. Is there any leeway on this particular issue?</p>
<i>Answer #2</i>	<p>No. The Port Authority will only consider proposals from Proposers demonstrating compliance with the prerequisites.</p>
