II. BIDDER'S QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions which have been submitted by Bidders to the Port Authority. It addresses only those questions which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied

with respect to particular questions asked by Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, whether made orally or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

Question #1	Can we quote a brand name equal?
Answer #1	Yes.
Question #2	Is an international model acceptable?
Answer #2	Yes. The machine be equal to the specified model, including the electrical standards.
Question #3	Are any accessories or options required?
Answer #3	See above modification.
Question #4	Will the Bidder be required to provide unloading labor and a technician to set up and start up the machine?
Answer #4	No. PATH will unload, install, level and start up the machine.
Question #5	What is the actual voltage that PATH requires?
Answer #5	Either 230 or 460 volts, 3-phase, is acceptable.
Question #6	Is a reconditioned machine acceptable?
Answer #6	No. The machine must be new.
Question #7	What is the required warranty?
Answer #7	Two-year warranty is required.

This communication should be initialed by you and annexed to your Bid upon submission. In case any Bidder fails to conform to these instructions, its Bid will

nevertheless be construed as though this communication had been so physically annexed and initialed.
