SUBJECT: REQUEST FOR PROPOSALS FOR THE PERFORMANCE OF EXPERT PROFESSIONAL PLANNING, ARCHITECTURAL AND ENGINEERING SERVICES FOR THE REDEVELOPMENT OF JOHN F. KENNEDY INTERNATIONAL AIRPORT - MASTER PLAN AND NEAR TERM PROGRAM PLANNING (RFP #49155) – ADDENDUM #1

Dear Sir or Madam:

The Port Authority of New York and New Jersey (the “Authority”) hereby amends the subject Request for Proposals (RFP), dated July 18, 2017, as follows:

- In the RFP Letter, page 10, section VI. Security Requirements, paragraph 2, line 1, delete “August 1st, 2017” and replace it with “August 8, 2017”.

The following question was received from RFP recipient(s). The question and the corresponding Authority answer is provided for your information and use, as appropriate.

Question#1: Are the selected consultant and subconsultant(s) precluded from future work involving redevelopment of John F. Kennedy International Airport (JFK)?

Answer #1: It is not presently contemplated that the selected firm will be precluded from further work related to the redevelopment of JFK. However, the Authority reserves the right to preclude a firm or certain staff of consultant(s) from participating in other JFK redevelopment opportunities if, in its sole discretion, the Authority determines the potential for a conflict exists and said conflict cannot be satisfactorily mitigated by other means. The Port Authority’s determination regarding any questions of conflict of interest shall be final.

If the Proposer or any employee, agent or subconsultant of the Proposer may have a possible conflict of interest, or may give the appearance of a possible conflict of interest, the Proposer shall include in its proposal a statement indicating the nature of the conflict, and should include a plan for mitigating said conflict.

Please note: The date for receipt of proposals for the subject RFP remains 2:00 P.M. on August 15, 2017.
