SUBJECT: REQUEST FOR PROPOSALS (RFP) FOR PERFORMANCE OF EXPERT PROFESSIONAL ENVIRONMENTAL SERVICES FOR THE PORT AUTHORITY BUS TERMINAL REPLACEMENT PROGRAM ON AN “AS-NEEDED” BASIS FOR 2017 THROUGH 2020 (RFP# 49994) ADDENDUM #1

Dear Sir or Madam:

The following question is from an RFP recipient. The question and the corresponding Authority answer are provided for your information and use, as appropriate:

Question: Will a sub-consultant under this agreement be permitted to be a prime on any other Bus Terminal Replacement RFPs?

Answer: As stated in the RFP letter, “While the Port Authority does not presently contemplate precluding sub-consultants from participation on multiple Bus Terminal Replacement projects, that decision will be made on a case-by-case basis”. This decision will be dependent upon the type of work performed by the firm in each case and will depend upon, amongst other things, whether there is any conflicting or competing interests or overlap of responsibilities.

Please note: The due date of this RFP remains July 28, 2017.
