The following question is from an RFP recipient. The question and the corresponding Authority answer is provided for your information and use, as appropriate.

**Question #1:** Please clarify required Cost Information. Pages 4 and 5 of the RFP Letter state “DO NOT PROVIDE ANY COST INFORMATION.” If cost information is required, is it required for Stages I, III and IV? Since the scope for Stages III and IV will not be fully defined until after Stage I is complete, are these costs to be submitted considered preliminary or approximate?

**Answer #1:** Cost information for Stages I, III, and IV are approximate costs. Please submit all cost information in a **separate, sealed envelope** per Section III, Item I of the RFP Letter.

**The date for receipt of proposals for the subject RFP remains 2:00 P.M. on May 29, 2019.**
