

April 12, 2016

**SUBJECT: REQUEST FOR PROPOSALS FOR THE PERFORMANCE OF EXPERT PROFESSIONAL PROJECT RISK MANAGEMENT SERVICES AS REQUESTED ON A “CALL-IN” BASIS DURING 2016-2019 (RFP# 45338) - ADDENDUM # 2**

Dear Sir or Madam:

The Port Authority of New York and New Jersey (the “Authority”) hereby amends the subject Request for Proposals, dated April 1, 2016 as follows:

In the Attachment A, page 3, Section **III. DESCRIPTION OF CONSULTANT’S TASKS**, under Task H. Related Project Risk Management Support Services, delete item 2. in its entirety, and renumber following items as appropriate.

The following question was received from a Request for Proposal (RFP) recipient. The question and the corresponding Authority answer are provided for your information and use, as appropriate.

**Question:** If a consultant is awarded the RFP 45338 Risk Management Services On Call for 2016-2019, does this create an inherent Conflict Of Interest for other consulting opportunities on specific projects (to be named later) reviewed by the risk assessor?

**Answer:** At this time, the Authority does not foresee that being awarded an Agreement under RFP 45338 would inherently give rise to the existence of, or the appearance of, a conflict of interest.

However, the Proposer’s attention is directed to Section 31 of the Standard Agreement. Proposers are advised that nothing herein shall preclude the Authority from determining, at a subsequent point in time, that performance of these services would give rise to the existence of, or the appearance of, a conflict of interest, and thereby concluding that the firm(s) selected for performance of the subject services, may be precluded from participation in, or the performance of, other Authority or PATH contracting opportunities.

**Please Note: The date for receipt of proposals for the subject RFP remains 2:00 P.M. on April 22, 2016.**

If you have any questions, please contact Mr. Gustavo Orduz, Contract Specialist, at [gorduz@panynj.gov](mailto:gorduz@panynj.gov).

Sincerely,

David Gutiérrez, CPPO
