ADDENDUM NO. 2

**TO PROSPECTIVE BIDDERS ON CONTRACT PAT-774.169 – PATH – REPLACEMENT
OF ELEVATORS AT HARRISON CAR MAINTENANCE FACILITY**

The following changes are hereby made in the Contract Documents for the subject Contract.

This communication should be physically annexed to back cover of the book and initialed by each bidder before submitting his bid.

In case any bidder fails to conform to these instructions, his Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.

CHANGES IN THE CONTRACT BOOKLET

Page 401 - Make the following changes:

- A. Immediately following A.1., insert new paragraph "2. In addition, remove and reinstall items not required by Paragraph A above, as directed by the Engineer, at the Field Ordered Work as specified in Paragraph C below."
- B. Delete B. in its entirety and substitute therefor the following:
 - "B. Do not proceed with application of roofing system until all defects in the existing roof or deck structure are corrected as directed by the Engineer. Correction of such defects will be compensated at the Field Ordered Work as specified in Paragraph C below.
 - C. Field Ordered Work

The Contractor will be reimbursed for the Work specified in Paragraphs A.2 and B above at the "Field Ordered Work" for such Work. "Field Ordered Work" shall be computed in the same manner as is compensation for Extra Work, including any percentage addition to cost, as set forth in the clause of the Contract providing compensation for Extra Work. Performance of such Field Ordered Work shall be subject to all provisions of the Contract relating to performance of Extra Work. Compensation for said Field Ordered Work shall not be charged against the total amount of compensation authorized for Extra Work."
