ADDENDUM #3

To prospective Bidder(s) on Bid # 33942 for Cleaning Of Catch Basins, Drains And Sump Pump Pits At The Port Authority New York Marine Terminals – Brooklyn, NY And Howland Hook, Staten Island, NY

Due back on 7/26/2013, no later than 11:00 A.M.

I. BIDDER'S QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

Question #8	Can the wastes removed from the catch basins and drains be disposed of on-site?
Answer # 8	No, all wastes must be removed off-site from the Facilities.

PS11A11

Question #9	Where can we dispose of excess water from the cleaning operations or does this need to be transported off-site?
Answer #9	Please see Part V, Specifications, Page 2, Paragraph 5, "Water Availability."
Question #10	If we decide to drop a roll-off at the site to hold the waste materials, how long can it be left on-site?
Answer #10	A roll-off may remain at the Facility for the period of time the Contractor is performing the scheduled cleaning and must be removed from the Facility upon completion of the work performed during the scheduled cleaning.
Question #11	Are there any specific facilities (pre-approved sites) that we have to use for disposal or is it up to the contractor.
Answer # 11	There are no specific facilities (pre-approved sites), but any facility used by the Contractor must operate in accordance with all appropriate federal, state and local regulations, laws, and ordinances. Please see Part V, Page 3, Paragraph 10, "Materials Supplies and Equipment."

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
