## ADDENDUM #3

**To Prospective Bidder(s) on Bid # 37306 – Cleaning, Removal And Disposal Of Waste Material From Catch Basins, Drains, Interconnecting Lateral Lines, Pump Houses and Snow Melting Pits At LaGuardia Airport**

**Due back on 4/22/2014, no later than 11:00 A.M.**

### BIDDERS' QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms of Bid #37306.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

<b>Question #7</b>	What was the approximate number of catch basins actually cleaned per day for On-Call work during previous contract period?
<b>Answer #7</b>	Approximately 20 to 25 catch basins per day were cleaned on an On-Call basis during the previous contract period. There is no guarantee that these amounts will remain the same for future contracts.

PS11A11

<b>Question #8</b>	What was the approximate volume of waste removed from Pump House # 4 cleaning during previous contract period?
<b>Answer #8</b>	Approximately 4 cubic-yards of silt, dirt and debris were removed from Pump House No. 4 at each cleaning during the previous contract; however, there is no guarantee that future cleanings will remain the same for future contracts.
<b>Question #9</b>	How many Snow Melting Pits are made available for cleaning in one On-Call workday?
<b>Answer #9</b>	Up to 10 Snow Melting Pits may be made available for cleaning in one On-Call workday. The number varies depending on factors such as whether the cleaning is limited to Snow Melting Pits. There is no guarantee that this will remain the same for future contracts.
<b>Question #10</b>	What portion of the non-emergency work is scheduled on weekends?
<b>Answer #10</b>	Most if not all non-emergency, On-Call work is scheduled over the weekend on Saturdays. There is no guarantee that this will remain the same for future contracts.

This communication should be initialed by you and annexed to your Bid upon submission. In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
