JERSEY CITY, NJ 07302

11/17/2014

ADDENDUM # 3

To prospective Bidder(s) on Bid # 40271 for Sandpiper Diaphragm Pumps or equal.

Due back on 11/21/2014, no later than 11:00AM

BIDDER'S QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

| | |
|-------------------|--|
| <i>Question #</i> | Are the new item numbers a change in the Sandpiper pump part/model numbers or are they just internal to PATH and the original Sandpiper model numbers and quantity are to remain the same? |
| <i>Answer #</i> | The new item numbers are Sandpiper part numbers for a flap valve type which the original part numbers were not. Additionally, the quantity remains unchanged. |

| | |
|-------------------|---|
| Question # | Will the bid that was already submitted for 11/14/2014 be opened or remain sealed? What will happen to it? |
| Answer # | If your company does not submit a new updated/revised bid, the bid on file will be opened. If a new updated/revised bid is submitted, that bid will be opened and the original will remain as part of the file unopened. A vendor has the option to arrange pickup of the original if they do not wish for it to be on file. It is advised that if you are submitting a revised bid, to note "Revised Bid" on the outside of the delivery envelope somewhere visible. |

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
