JERSEY CITY, NJ 07302

10/10/2014

## ADDENDUM #5

**To prospective Bidder(s) on Bid # 39486 - Design, Manufacture, Furnish and Deliver Two Rapid Set Volumetric Concrete Mixers and Associated Spare Parts**

**Due back on 10/16/2014 no later than 11:00 A.M.**

### **BIDDERS' QUESTIONS**

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions that have been submitted by Bidders to the Port Authority. It addresses only those questions that the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms of this Bid.

The Port Authority makes no representation, warranty or guarantee that the information contained herein is accurate, complete or timely or that such information accurately represents conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever; and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise of the Port Authority, its Commissioners, officers, agents, representatives or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract; and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

<b>Question # 5</b>	Please clarify what you mean in Addendum #4 about the emergency electric hydraulic pump being needed to charge the system in case of power failure. Do you possibly mean cleaning out the system in case of power failure?
<b>Answer # 5</b>	An emergency electric hydraulic pump for charging the hydraulic system is needed to remove the Concrete Mixer from a tunnel in the event of a power failure should the concrete chute or other part of the Concrete Mixer need to be repositioned.

PS11A11

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
