ADDENDUM # 8

To prospective Proposer(s) on RFP #45551 for Parking Access and Revenue Control System – Design, Installation and Maintenance at John F. Kennedy International Airport, Newark Liberty International Airport, LaGuardia Airport and Stewart International Airport

Due back on 6/14/2016, no later than 2:00PM

Originally due on 6/9/2016, no later than 2:00 PM

Please address all inquiries to Jeanette Anderson @ [jeanette.anderson@panynj.gov](mailto:jeanette.anderson@panynj.gov).

**I. CHANGES/MODIFICATIONS**

**The following changes/modifications are hereby made to the solicitation documents:**

- Attachment “Y” entitled: “Port Authority of New York and New Jersey Parking Garage Striping Diagrams” is deleted in its entirety and replaced with the attached revised Attachment “Y” entitled “Port Authority of New York and New Jersey Parking Garage Striping Diagrams” revised 5/27/16 attached hereto.
- Delete Attachment I, Section: “Details for Lanes” in its entirety and replace with the revised, Attachment I section entitled “Details for Lanes” dated 5/27/16
- Delete, Section “e”: entitled “Submission of Proposals” located found in Item 1, **“INFORMATION FOR PROPOSERS ON THIS REQUEST FOR PROPOSALS and replace it with the following:**

**e) Submission of Proposals**

One reproducible original (containing original signatures and clearly designated as such) and Twenty-five (25) double-sided copies of the proposal along with twenty-five (25) digital copies, each on its own USB device must be submitted on or before the due date and time in accordance with the information on the cover page of this RFP and sent or delivered to the RFP Custodian at the address specified on the cover page. Each copy of the proposal as well as the parcel(s) used for shipping must be conspicuously marked with the Proposer’s name and address as well as the Proposer’s

Vendor Number, if available. In addition, the outside of the package must clearly state the title of this RFP, the number of this RFP and the Proposal Due Date. Failure to properly label proposal submissions may cause a delay in identification, misdirection or disqualification of proposal submissions. Consistent with environmentally preferable procurement practices, the Port Authority requests all documents submitted to be in a form that can be easily recycled (i.e., no plastic 4 covers or binding) and to provide only supporting literature which directly relates to the proposal being submitted.

**II. PROPOSER'S QUESTIONS AND ANSWERS**

The following information is available in response to questions submitted by prospective Proposers. The responses should not be deemed to answer all questions, which have been submitted by Proposers to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Proposers does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Proposer, by submitting its Proposal, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Proposers required by this Proposal or Contract and the Proposer agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

	RFP Section	RFP Page	Topic	Question
Question 53	Addendum 5, Attachment "Y" Parking Garage Striping		JFK Terminal 7, Orange Garage Plans	No drawings for the Orange Garage were provided. Please provide drawings for the Orange Garage.

	Diagrams			
Response				See the updated Attachment Y, revised 5/27/16 attached hereto.
Question 54	Addendum 5, Attachment “Y” Parking Garage Striping Diagrams		LGA West Garage Plans	No drawings for the West Garage were provided.  Please provide drawings for the West Garage.
Response				The West Garage has not been completely designed. The awarded Contractor will be given the striping diagrams after they are produced.
Question 55	Addendum 5, Response 10		Quantity of Exit Lane Dynamic Displays	We are directed to use the updated lane numbers in Addendum #4 as the quantity of Exit Lane Dynamic Displays. However, there is a discrepancy in Attachment I in Addendum #4. For Newark page 19 has 43 exit lanes and summary on page 21 has 40. Similarly, for Stewart, page 18 has 8 exit lanes and summary on page 21 has 7. Please clarify the number of exit lanes for Newark and Stewart.
Response				The summary on page 21 has a typo. There are 43 exit lanes at EWR. With regards to SWF, there are seven exit lanes and seven entrance lanes. See the updated Attachment I section entitled “Details for Lanes” to be included in this Request for Proposals dated 5/27/16 attached.
Question 56	Addendum 5		Quantity of Exit Lane Dynamic Signage	Confirm whether Bus Only Exit Lanes require Exit Lane Dynamic Displays
Response				Bus Only Lanes do not require

				Exit Lane Dynamic Displays
--	--	--	--	----------------------------

This communication should be initialed by you and annexed to your Proposal upon submission.

In case any Proposer fails to conform to these instructions, its Proposal will nevertheless be construed as though this communication had been so physically annexed and initialed.

This drawing subject to conditions in contract. All inventions, ideas, designs and methods herein are reserved to Port Authority and may not be used without its written consent. All recipients of Contract documents, including bidders and those who do not bid and their prospective subcontractors and suppliers who may receive all or a part of the Contract documents or copies thereof, shall make every effort to ensure the secure and appropriate disposal of the contract documents to prevent further disclosure of the information contained in the documents. Secure and appropriate disposal includes methods of document destruction such as shredding or arrangements with refuse handlers that ensure that third persons will not have access to the documents' contents either before, during, or after disposal. Documents may also be returned for disposal purposes to the Contract Desk on the 3rd Floor, 3 Gateway Center, Newark, NJ 07102 or the office of the Director of Procurement, Two Montgomery Street, 3rd Floor, Jersey City, NJ 07302. It is a violation of law for any person to alter a document in any way, unless acting under the direction of a licensed professional engineer or registered architect. If this document bearing the seal of an engineer/architect is altered, the altering engineer/architect shall affix to the document their seal and the notation "altered by" followed by their signature and the date of such alteration, and a specific description of the alteration.
