

Tunnels, Bridges & Terminals Department

George Washington Bridge - New Jersey Administration Building Hot Water/Chilled Water Piping Replacement - Contract GWB-924.159B
RESPONSE#1 TO QUESTIONS FROM BIDDERS

DATED: May 15, 2017

QUES	DATE	QUESTION	RESPONSE
001	05/12/17	I was wondering whether the project GWB-924.159B – George Washington Bridge – New Jersey Administration Building Hot Water/Chilled Water Piping Replacement was for Union shops only, or whether open shops like ours may also bid. We do not have an approved apprenticeship program.	Refer to contract book pages 54 through 56, clause 38 titled "Prevailing Rate of Wage" and page 75 clause 68 titled "Labor actions".
