

DBE PARTNERING OPPORTUNITIES

Kiewit-Weeks-Massman, AJV, along with their minority business development partner the Manhattan MBDA Business Center, will host a Project Information Session to encourage and promote participation by certified Disadvantaged Business Enterprises in this signature bridge project.

PROJECT INFORMATION SESSION

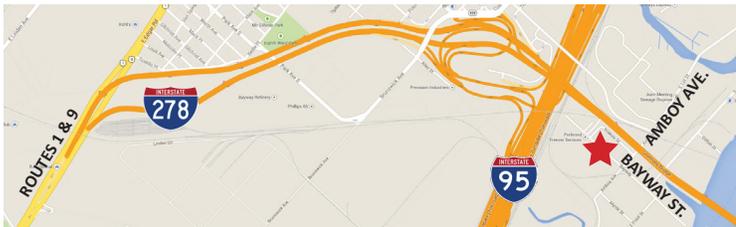

This outreach event will inform prospective DBE partners about the design-build process, project schedule, partnering opportunities, and key procurement dates for the upcoming construction contract. We encourage interested and qualified companies to attend this information session.

Tuesday, August 19, 2014
