

QUESTIONS FROM BIDDERS

LGA-124.244 LaGuardia Airport - Air Operations Area Light Circuit Replacement

Updated: 07/11/17

QUES	QUESTION	RESPONSE
1	We are currently bidding on the job at LaGuardia Airport, Contract LGA-124.244 – Air Operations Area Light Circuit Replacement. We were wondering if we can arrange a walkthrough or a site visit to see the work that needs to be done for this job. The bid is due on July 11 th so this will have to be sometime next week. Looking forward to hearing back.	The bidder is directed to the clause entitled "Inspection of Site" on page 13 of the Contract Booklet.
2	We are bidding on the subject contract which shows currently a bid date of July 11, 2017. Kindly, we would like to request an extension of the bid time to be able to contact all subcontractors and vendors for pricing. Most subcontractors are requiring additional time to revert back. We appreciate if a time extension would be granted.	The bidder's request will be addressed by Addendum.
3	Can you also tell me what the WBE or DBE goals for this project?	The bidder is directed to the fifth paragraph (the paragraph following subparagraph D.) of the clause entitled "Minority and Women's Business Enterprises Program (MBE/WBE)" on page 9 of the Contract Booklet.
4	Please advise what is the bid bond amount. The form does not state the amount or percentage.	The bidder is directed to C. of the clause entitled "Papers Accompanying Bids" on page 2 of the Contract Booklet.
5	I saw your company was getting bids for the LaGuardia Airport – Air Operations Area Light Circuit Bridge and was reaching out to see if this job requires concrete scanning, GPR, or private utility locating prior to any sawcutting, core drilling, or excavation. We would love the opportunity to bid this or any other project with you.	The bidder is directed to Note 9 on Contract Drawing G105.
