TITLE: Hosted Microsoft Exchange E-Mail and Administration Services

DESCRIPTION: The Port Authority is seeking proposals from qualified firms interested in providing Hosted Microsoft Exchange E-mail and Administration Services. The successful firm will provide high quality, secure, reliable and highly available (24x7) hosted Microsoft Exchange E-mail and administration services with the vendor's off-site data center facilities and server infrastructure (located within the continental United States) to provide Microsoft (MS) Exchange mail to the Port Authority with features of Exchange/Outlook, including calendaring and scheduling with conference rooms, public folders, distribution lists, contacts, Active Directory for the MS Exchange resource domain/forest structure, with hosted or third party spam protection and virus protection services. Access to the current hosted environment from the Authority's network is currently via dedicated circuits using Outlook MAPI client access. Outlook Web Access and wireless access (BlackBerry Enterprise Server and ActiveSync) is also used. Outlook desktop administration is not being requested and is not provided through this service. However, interface with the Authority's Support Desk to determine and resolve 2nd and higher-level service-related problems, including MS Exchange/Outlook, is required.

The Contract shall be for a four (4) year base period. The Authority shall have the right to extend the Contract for up to one (1) additional three-year period.
