Title: Contract PAT-084.039: PATH TUNNELS E & F EVENT DETECTION SYSTEM

Contact: Suchetha Premchan: Telephone at 201-395-3473, FAX at 201-395-3472, email at spremchan@panynj.gov.

The Contract referenced herein involves the installation of an Event Detection System in Tunnels E & F as part of the PATH Tunnel Improvement program. The major classification of work may include; but not be limited to, the purchase, installation, testing & commissioning of a redundant array of sensors and related equipment that provide real-time updates as to current conditions in the PATH under-river Tunnels E&F. The events monitored include the presence of any leaking water and disturbances that may compromise the integrity of the railway in addition to CCTV monitoring.

Qualification information is to be submitted by August 23, 2013 and it is anticipated that Bid Documents will be available to pre-qualified bidders on or about **September 2013**.

In order to pre-qualify for this Contract, all participating firms must also execute and submit the Contractor's Qualification Statement, the Agreement on Terms of Discussion, and the Non-Disclosure and Confidentiality Agreement with their RTQ submittal package, as well as execute the Background Qualification Questionnaire and submit as per instructions.

Contracts awarded as a result of this Pre-qualification may be funded in whole or in part by the Federal Transit Administration ("FTA"). Accordingly, all Contractors must comply with the applicable provisions set forth in the Bid Documents, which will be provided to all qualified bidders.
