The Contract awarded as a result of bids received from bidders deemed qualified through this Request to Qualify (“RTQ”) may be funded in whole or in part by the Federal Emergency Management Administration (“FEMA”). Accordingly, all Bidders must comply with the applicable FEMA provisions set forth in the Bid Documents. Bid Documents will only be provided to prequalified bidders and any Contract awarded as a result of the bids will contain applicable FEMA provisions that the Contractor will be required to comply with.

1. INTRODUCTION

The Port Authority of New York and New Jersey (the “Port Authority” or the “Authority”) is a body corporate and politic created by the States of New York and New Jersey with the consent of the Congress of the United States. The Port Authority together with its wholly-owned subsidiaries, including the Port Authority Trans-Hudson Corporation (“PATH”), provides the region with integrated transportation and trade services and operates facilities in connection therewith, including, but not limited to, four major regional airports, four bridges and two tunnels that serve interstate traffic, a bus terminal, a bus station, the PATH rapid transit system, the Hoboken-lower Manhattan ferry service, the World Trade Center site and certain New York - New Jersey port facilities.

Firms will be qualified on a rolling, ongoing basis up to the solicitation due date, although firms are strongly encouraged to submit earlier, as the issuance of the bid documents is currently contemplated to be on or about first quarter 2017. Firms are encouraged to submit their qualification information early, as the evaluation process will take time, provided all other requirements (such as meeting the information security pre-requisites) have been met, and may result in a delay to receipt of bid documents. Responses submitted less than two weeks before the solicitation due date may not be qualified in time to receive the bid documents prior to the solicitation due date.

Only prequalified firms who have received written approval from the Authority will be asked to respond to future solicitations on the specific project described below.

Note: In this RTQ, “firm,” “contractor,” “you,” “bidder,” “Respondent” and “Proposer” shall refer to the same party.
