

The New York Power Authority invites you to attend

THE 23RD ANNUAL PURCHASING EXCHANGE  
AND OUR **FIRST EVER**  
**ENERGY EFFICIENCY AND**  
**GREEN TECHNOLOGY**  
**OPPORTUNITIES EXCHANGE**

Thursday, October 30, 2014  
Noon to 4 p.m.

NYPA's Purchasing Exchange will provide opportunities for minority- and women-owned suppliers to help New York State agencies work to reduce their source energy consumption by 20 percent by 2020 and bring Minority- and Women-owned Business Enterprises together to explore energy-efficient, sustainable and related procurement opportunities.

In addition to our traditional Purchasing Exchange, NYPA is adding buyers, project managers, prime contractors and customers in energy efficiency and green technology opportunities to the event this year.
