**Spring 2012**

# Environmentally Sustainable Design

The **Regional Alliance** is offering a comprehensive one-day seminar on Environmentally Sustainable Design. This seminar sponsored by **The Port Authority of NY & NJ** is designed to increase the ability of M/W/S/DBE firms to effectively bid and perform on Port Authority projects. A Certificate of Completion will be awarded after successful completion of the seminar.

**COURSE DESCRIPTION:** This course will be an overview of the LEED Green Building Rating System to give the audience an understanding of the basics of the system, its concerns, areas of focus, and process. LEED points that require contractor knowledge and participation will be covered in detail, including paperwork, pitfalls, and products.
