MAKE CHECKS PAYABLE TO:

New York-New Jersey Port Promotion Association

MAIL TO:

85 West 45th Street, Bayonne, N.J. 07002

FOR ADDITIONAL INFORMATION CONTACT:

Dorothy Rosciszewski, Program Coordinator
Phone: (201) 437-1891 • Fax: (201) 823-3753
Email: PortIndustryDay@yahoo.com

DIRECTIONS TO:

**4 World Trade Center
150 Greenwich Street
New York, NY**

4 World Trade Center (the building on the right in the cover photo) is located at 150 Greenwich Street at the corner of Greenwich and Liberty Streets in New York City.

With limited parking and periodic street closures due to ongoing construction, public transportation is still the easiest way to travel to the World Trade Center site. For information on public transportation, go to: <http://www.panynj.gov/wtcprogress/directions.html>

If you chose to drive and are not familiar with the area, use 150 Greenwich Street, New York, NY 10006 as your GPS destination. There are parking lots in the area but you should check the internet before you leave for several alternatives since lots closest to the WTC fill up quickly.

PLEASE NOTE:

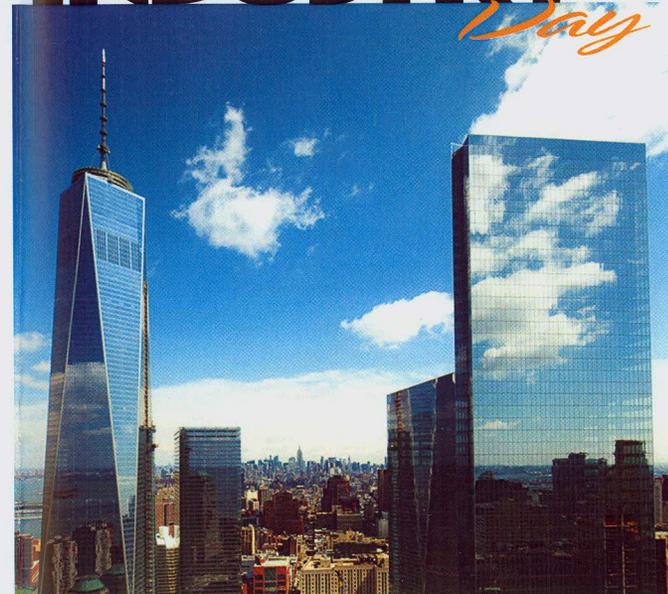

*Because of World Trade Center
security regulations,
there will be no registration
at the door.*

*Registration must be received
by Wednesday, October 1.*

*Tickets for the
9/11 Museum Tour
will be distributed at the
registration desk only to those
who have indicated on the
registration form that
they wish to attend.*
