THE PORT AUTHORITY OF NY & NJ

All that I learned in the U.S. Air Force and Navy is utilized every day in my role at LaGuardia.

Jhon Mosquera, Assistant Airport Duty Manager, Aviation Department

YOUR NEXT ASSIGNMENT: THE PORT AUTHORITY

We value the unique skill sets and discipline that veterans possess: leadership, sacrifice, dedication – characteristics sought after by the Port Authority and embedded within you. Your service in the military may have ended, but your role in public service can continue through a rewarding career with the Port Authority of NY & NJ.

ABOUT THE PORT AUTHORITY OF NY & NJ

We are unlike any organization in the world. Founded in 1921, the Port Authority of New York and New Jersey builds, operates, and maintains many of the most important transportation and trade infrastructure assets in the country. The organization's expansive network of aviation, tunnel, bridge, bus terminal, rail, and seaport facilities is among the busiest in the country, supporting more than 550,000 regional jobs and generating more than $23 billion in annual wages and $80 billion in annual economic activity.

The Port Authority also owns and manages the 16-acre World Trade Center site, where construction crews are building the iconic One World Trade Center, which is now the tallest skyscraper in the Western Hemisphere.

The Port District is a region within a radius of approximately 25 miles of the Statue of Liberty.

AVIATION: A network of six airport facilities across New York and New Jersey that serve over 100 million passengers annually and provide the region with unsurpassed global access through the busiest aviation system in the nation.

PORT AUTHORITY – TRANS HUDSON (PATH): The rapid transit system that serves as the primary transit link between Manhattan and neighboring New Jersey, presently carrying 244,000 passenger trips each weekday.

PORT COMMERCE: A system of marine terminals across two states that comprise the Port of New York and New Jersey, the largest port by volume on the East Coast and third largest in the nation.

TUNNELS, BRIDGES AND TERMINALS: The critical series of road networks that connect New York and New Jersey through tunnels, bridges and bus terminals, permitting the safe, efficient and convenient flow of goods and people through the region.

Serve the people of the region by joining the Port Authority of New York and New Jersey.

A LOGICAL FIT

The Port Authority is a practical home for veterans. We provide the mission-oriented sense of purpose you're accustomed to through our fundamental dedication to public service. The organization offers you unmatched opportunities to apply the skills learned in the military in a direct and meaningful way. Aviation, Port Commerce, Tunnels, Bridges and Terminals, Rail, Security, Engineering and Logistics are just a few of our unique departments. With positions in managerial, operations and maintenance capacities, you will be afforded every opportunity to find a career that's right for you.

The Port Authority gives me the flexibility I need to serve my country in the National Guard.

Andrew Izzo, Projects and Planning Engineer, PATH

BENEFITS AND CAREER DEVELOPMENT

Stability at the workplace is something everyone can get behind. The Port Authority provides this through its robust benefits package, which includes a retirement plan, a competitive salary, a strong work-life balance, a range of developmental training programs and a generous tuition reimbursement program.

When you join the Port Authority, your professional development remains an ongoing priority. Veterans are able to navigate through clearly defined departments that represent our diverse lines of business. Many Port Authority employees enjoy a long and diverse career by pursuing opportunities to move up and across the organization.
