

THE PORT AUTHORITY OF NY & NJ DECEMBER 2019 TRAFFIC REPORT

Aviation Department

LGA handled a record 31.1 million passengers, and posted the highest growth rate among our airports (+3.3 percent). This translates to a net gain of 1 million travelers. LGA also led our airports in domestic passenger gain and growth rate, as it reached a record 28.9 million travelers by adding 1 million passengers and registering a growth rate of 3.7 percent. This is the first domestic record LGA has achieved since 2016. LGA led our region in domestic seat growth, up 2.7 percent. Following solid gains of 16.5 and 6.5 percent in 2017 and 2018, LGA's international sector recorded its first loss since 2015. Due to a 4.7 percent cut in seat capacity, primarily to Toronto across all carriers, international passengers declined by a modest 0.7 percent, amounting to a 14,577-passenger loss.
