

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranyj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

LAW DEPARTMENT
PORT AUTHORITY CLAIMS
2011 SEP 13 A 8:56

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

LAW DEPARTMENT
PORT AUTHORITY CLAIMS

Dear Brothers and Sisters

As you are aware, I have been working on developing a strategy to deal with the EZPass problem. Since the PA can only be sued by persons who have filed Notice that they wish to proceed against them, I believe every retiree should file a Notice of Claim indicating they wish to sue for this benefit.

Under the law you have to tell the PA you are suing them by sending a Notice that outlines who you are, where you live, the basis for your claim, and it must be notarized. Once that's sent by Registered Mail, return receipt, you have to wait 60 days to institute the suit which has to be accomplished within one year of the date the claim originated. A number of attorneys have suggested a class action may exist consisting of all persons who filed timely Notices of Claim.

I have included a copy of a Notice of Claim which can be filled out and sent to the PA. It must be notarized and sent by registered mail or delivered in person. The sooner this is done, the sooner the class will be determined and we can get the process started.

When you file, PA Civilian retirees are encouraged to file as well, I would appreciate if you would notify me by email at EZPassLitigation@aol.com that you have filed. Please include your retirement status such as PBA, SBA, LBA, DEA or CIV. If you have a scanner, a copy of the filed Notice would be helpful also.

I urge every retiree, regardless of your represented status or not, wherever you live, or even if you don't think you will ever use this benefit, to FILE. Erosion of benefits now will embolden the PA in the future. Your medical benefits may be next!!

Thanks for listening, and please pass this on to any Port Authority retirees and their associations that you may have contact with. File as soon as you can, our strength lies in numbers. The Port Authority will not ignore the thousands of Claims they get!

Fraternally,

Tom Westfield

By the way I am not acting as anyone's attorney in this matter. Even if I wanted to, as a member of the Class I am not allowed to represent the group, it would be a Conflict of Interest

below is the format of the Notice of Claim, and a .pdf copy is attached as well. Remember - THEY MUST BE NOTARIZED

- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

LAW DEPARTMENT
PORT AUTHORITY CLAIMS
2011 SEP 13 A 8:54

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No** law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No** law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? **No.** We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**

LAW DEPARTMENT
PORT AUTHORITY CLAIMS
2011 SEP 14 A 9:47

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

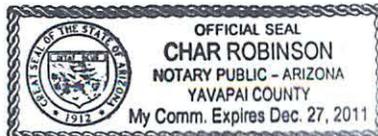

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes.** PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No.** But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No.** It just keeps the option open until November 17 to commence litigation.

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? **Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."**
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? **No.**
- Then who is? **No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.**
- Is a class action suit a "done deal?" **No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.**
- What is the filing deadline? **PARA recommends that forms be received by the Port Authority by Wednesday, September 14, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? **No. It just keeps the option open until November 17 to commence litigation.**
- Whom do I notify if I filed a Notice of Claim on the Port Authority? **Tom Westfield, at EZPassLitigation@aol.com.**
- Is PARA taking a position on whether or not to file a Notice of Claim? **No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.**

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board
