Re: Freedom of Information Reference No. 14858

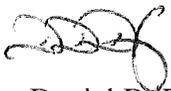

Dear Mr. Porter:

This is in response to your April 21, 2014 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code"), for a "list of pass-through grants awarded by the Port Authority for the years 2005 through 2013, including amount, recipient and purpose for each grant."

Material responsive to your request and available under the Code can be found on the Port Authority's website at <http://www.panynj.gov/corporate-information/foi/14858-O.pdf>. Paper copies of the available records are available upon request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
FOI Administrator

*Note: Pass Through Grants refers to grants that are initially received by the Port Authority from the granting agency and are passed on to a third party sub-recipient. The Port Authority does not retain these funds. Data obtained from the 2005-2013 Schedule of Expenditures of Federal Awards (SEFA) reports.

The Port Authority of New York New Jersey
 Summary of Pass Through Grants 2005-2013

<u>Grant Program Name</u>	<u>Federal Funding Dept.</u>	<u>Grant Program Description</u>	<u>Sub-Recipient(s)</u>
Airport Checked Baggage Screening Program	TSA	TSA's Electronic Baggage Screening Program supports the Department of Homeland Security's goals of protecting our Nation from dangerous goods and critical transportation infrastructure by strengthening screening of checked baggage to reduce the probability of a successful or other criminal attack to the air transportation system.	JFK Terminal 1 (TOGA), Delta Air Lines, Continental/United Airlines, JFK Terminal 4 (IAT)
National Clean Diesel Emissions Reduction Program	EPA	The National Clean Diesel Funding Assistance Program aims to reduce the pollution emitted from diesel engines across the country through the implementation of varied control strategies and aggressive involvement of national, state, and local partners.	Various Drayage Truck Owners
Electronic Payment Systems National Interoperability Specification (EPSNIS)	FHWA	To assist State transportation agencies in the planning and development of an integrated, interconnected transportation system important to interstate commerce and travel such as transportation improvements to public roads; to provide aid for the repair of Federal-aid highways following disasters; to foster safe highway design; to replace or rehabilitate deficient or obsolete bridges; and other special purposes.	OmniAir Consortium
Port Security Grant Program	DHS	Port Security Grant Program funds available to these entities are intended to improve port-wide maritime security risk management; enhance maritime domain awareness; support maritime security training and exercises; and to maintain or reestablish maritime security mitigation protocols that support port recovery and resiliency capabilities.	Various Municipalities Throughout Region
