To: PA FOI
Subject: FOI request

January 25, 2016

To whom it may concern:

Pursuant to the Freedom of Information provisions, please provide me with a copy of the PANYNJ FOI Case Log for Calendar Year 2015 or else Fiscal Year 2015, at your option and preference. The FOI Case Log contains such information as the topic or subject of each records request received by PANYNJ.

This is a noncommercial individual request. I agree to pay up to \$25 for applicable fees, if necessary.

Sincerely,

Michael Ravnitzky
[REDACTED]

THE PORT AUTHORITY OF NY & NJ

FOI Administrator

January 29, 2016

Mr. Michael Ravnitzky
[REDACTED]

Re: Freedom of Information Reference No. 16631

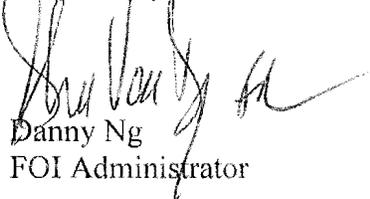

Dear Mr. Ravnitzky:

This is in response to your January 25, 2016 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code", copy enclosed) for "a copy of the PANYNJ FOI Case Log for Calendar Year 2015 or else Fiscal Year 2015, at your option and preference. The FOI Case Log contains such information as the topic or subject of each records request received by PANYNJ."

Material responsive to your request can be found on the Port Authority's website at <http://www.panynj.gov/corporate-information/foi/16631-O.pdf>. Paper copies are available upon request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Danny Ng
FOI Administrator

Enclosure

4 World Trade Center, 18th Floor
150 Greenwich Street
New York, NY 10007

FOI requests Received January 1, 2015 – December 31, 2015

Response for FOI No. 16631 - Michael Ravnitzky

FOI Ref No.	First Name	Last Name	Material Requested
15622	Chris	Glorioso	Request for copies of record "of all travel, entertainment, corporate credit card and purchase card expenses incurred by employees or on behalf of employees of Port Authority NYNJ Rail Transit. These records should include date of expense, amount of expense, type of expense, vendor, and item or service purchased." The requested timeframe for these records is 1/1/12 to present.
15624	Christie	Duffy	Request for copies of the following records: "Policies or guidelines that govern if and how Port Authority employees may qualify for and accumulate overtime hours and pay."
15625	Analilia	Mejia	Request for copies of the following records: "1. A copy of the binder provided to David Samson when he became a Port Authority Commissioner in 2011. 2. A copy of the most recent version of the binder provided to New Jersey Commissioners of the Port Authority. 3. A copy of any other versions of the binder from 2011 to the present besides 1 and 2."
15626	Christie	Duffy	Request for copies of the following records: The Port Authority's payroll database for all employees. Such a database may include: an employee's name, title or position, salary, overtime hours and pay, length of service, date of hire, date of termination, reason for termination, amount and type of pension received, and other employee information. Please provide copies of the record layout, code sheet and all relevant documentation regarding this data. I am requesting all data fields. If there are any fields that you must withhold by law, please cite this omission in a redaction log.
15627	Martin	Braun	Request for a copies of the following records: "1. A list of properties purchased or sold by the Port Authority from January 1, 2010 to the Present 2. Records showing the purchase or sale price of those properties. 3. Appraisals for those properties. 4. Records showing commissions paid if any on those sales or purchases."
15628	-	-	Request for a copy of a police report related to a stole Hertz vehicle on January 9, 2013.

FOI requests Received January 1, 2015 – December 31, 2015

15629	Chris	Maag	Request for copies of "any and all planning documents created by the Port Authority concerning alternatives for a new or expanded train station near Penn Station in New York for the ARC Tunnel. These documents included lists of possible station alternatives, including new or expanded stations to the south, north and directly underneath the existing Penn Station. The documents considered the positive and negative attributes of these station alternatives, including costs of land acquisition and construction, ease of traveler access to Penn Station and subway lines, impact on Midtown Manhattan, and other concerns. These documents were created between 1998 and 2003."
15630	Nicole	Gelinas	Request for copies of "all documents relating to the bid process and award of the concession for the One World Trade Center observation deck to Legends Hospitality."
15631	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 261 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."
15632	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 262 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."

FOI requests Received January 1, 2015 – December 31, 2015

15633	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 263 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."
15634	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 264 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."
15635	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 290 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."

FOI requests Received January 1, 2015 – December 31, 2015

15636	Nancy	Kist	Request for copies of "the following records are requested from the Port Authority: Building condition maintenance records for Building 296 located in Port Newark for the period from January 1, 2005 through December 31, 2009. By way of example and not limitation, the records may include requests for repairs from tenants/occupants, reports by PANYNJ personnel concerning building conditions or maintenance activities, such as repairing roof leaks, maintenance records for testing and certification of fire suppression sprinkler systems, repairs to doors, locks, gates, window, surface repairs i.e. paving, concreting and the repair and maintenance of building systems such as HVAC elements, plumbing, storm water, sanitary sewer and water systems potable and non-potable. Upon information and belief some or all of these records are maintained within the Port Authority's MMIS system."
15637	Jason	Shapiro	Request for copies of all documents, including, but not limited to, any and all records, photographs, investigation, violations, etc. pertaining to an accident involving Omar Valencia on November 29, 2014 at the "Oculus" structure located at the World Trade Center Transportation Hub, on Greenwich Street and Fulton Street, New York, NY. Copies of the police accident/incident report completed by Port Authority Police Department that occurred on November 29, 2014 at the aforementioned location.
15638	Daniel	Russo	Request for a copy of the complete payroll of the Port Authority of NY & NJ and any subsidiaries for monies paid out in calendar year 2014. The file should include all full- and part-time employees sorted by agency, including: name, title, compensation rate, original hire date, cumulative service earned - as reported by agency (i.e., months, years, etc.), pay basis (annual, biweekly, etc.), location and year to date employee compensation (excluding expense reimbursements).
15639	Ceven	Goomdan	Request for a copy of the market share reports at JFK and LGA.
15640	Chris	Maag	Request for "a copy of all invoices and records evidencing payment of such invoices to attorneys and third-party property assessors/appraisers related to the acquisition of land, property and/or rights of way for the cancelled Access to the Region's Core ARC tunnel, alternatively called Trans Hudson Express THE Tunnel and the Mass Transit Tunnel."
15641	Chris	Maag	Request for "a copy of all invoices and records evidencing payment of such invoices to construction and construction management firms associated with the cancelled Access to the Region's Core ARC tunnel, alternatively called Trans Hudson Express THE Tunnel and the Mass Transit Tunnel."
15642	Chris	Maag	Request for "a copy all invoices and records evidencing payment of such invoices related to the acquisition of surface property and subterranean property rights i.e. professional fees, payments to private landowners, eminent domain/condemnation proceedings, purchase of property, right of ways, etc. associated with the cancelled Access to the Region's Core ARC tunnel, alternatively called Trans Hudson Express THE Tunnel and the Mass Transit Tunnel."

FOI requests Received January 1, 2015 – December 31, 2015

15643	Josh	Margolin	Request for "Copies of close-out reports for all Inspector General investigations from Jan. 1, 2011, through Jan. 1, 2014. Please be advised these documents are routinely released by, among other agencies, the New York City Dept of Investigation pursuant to the NYS FOIL. Please be further advised this request is made with the understanding that the authorities new policy requires the release of records that are public under the terms of the public-records statutes of EITHER New York or New Jersey."
15644	Josh	Margolin	Request for copies of "Contracts and leases or documents that lay out terms and conditions like those records connected to the operation of the 1 WTC observatory complex with Legends. Please be advised this request is made with the understanding that the authorities new policy requires the release of records that are public under the terms of the public-records statutes of EITHER New York or New Jersey. Please be further advised that contracts and leases like those requested here are typically public under the terms of the records laws in BOTH New York and New Jersey."
15645	Josh	Margolin	Request for copies of "Records of communications and correspondence with the offices of Govs. Cuomo and Christie and their representatives in connection with the opening of 1 WTC and the 911 Museum, both in 2014. Please be advised this request is made with the understanding that the authorities new policy requires the release of records that would be considered public under the terms of the public-records statutes of EITHER New York or New Jersey."
15646	Claude	Brodesser-Akner	Request for copies of "Communications including but not limited to emails, letters, notes and text messages on official and personal accounts, sent or received between Governor Chris Christie and Richard Bagger or Bill Baroni of the Port Authority of New York and New Jersey Board of Commissioners from September 2012 to April 2013 regarding Jerry Jones, Legends Hospitality, the New York Yankees, the Dallas Cowboys, and/or Checketts Partners."
15647	Martin	Braun	Request for copies of "the following records: 1. Any analysis, scoring, or review of the bids for the observation deck contract by Port Authority staff 2. Any correspondence, including e-mail, from Governor Christie's office to commissioners and/or to Port Authority staff reviewing the observation deck bids from March 1, 2013 to March 20, 2013 3. Any memo or document from Port Authority staff to commissioners outlining their reasons for recommending Legends 4. Any leases, contracts, agreements licenses and other documents between Legends and the Port Authority regarding the observation deck 5. Any analysis, review or memo by AECOM regarding the observation deck."
15648	Christie	Duffy	Request for copies of the following records: 1. The resulting agreement and/or contracts with Legends Hospitality. 2. The request for bid and all other bids considered for this agreement opportunity.

FOI requests Received January 1, 2015 – December 31, 2015

15649	Brian	Murphy	Request for copies of "any and all records of bills submitted to the Port Authority and payments made by the same to any outside attorneys who are representing current or former Port Authority staff and officials in the investigation of lane closures at the George Washington Bridge in September 2013. I am requesting all records from September 2013 to the present date."
15650	Magda	Kopich	Request for a copy of a "Notice of Claim form."
15651	Chris	Dochney	Request for copies of the "Average weekday ridership numbers for Harrison station, and annual ridership volume for Harrison station for the years 2012, 2013, and 2014."
15652	Shawn	Boburg	Request for copies of "the following documents: 1 The request for proposal, qualifications, or solicitation issued prior to the awarding of the contract to run the observation deck at 1 WTC 2 All the responses submitted to that request 3 Copies of presentations, including audio, video, or documents, provided by bidders before any panel, committee or group responsible for judging the bids 4 Records showing the Port Authority employees who were on the selection group or committee 5 Ratings, assessments or grades assigned by each member of the group or committee as to each bid or presentation, along with the final recommendation 6 A copy of the contract awarded or agreement between the Port Authority and Legends 7 Any memo or other correspondence, including memoes, e-mails, text messages or handwritten notes, sent to the committee its members from any non-member with recommendations or observations about any of the bidders or their qualifications."
15653	Andrea	Bernstein	Request for copies of "all records associated with the awarding of a contract or contracts to Legends Hospitality for operation of a facility or facilities at the World Trade Center." "These records include any requests for proposals, any records of bidding meetings, responses to the proposals, any documents prepared for the board to consider the proposal or proposals, any correspondence with the winning bidder, the contract, and any documents I haven't mentioned that were drawn up in preparation for awarding the contract, were disseminated to Port Authority staff or commissioners prior to, during, or after the award of the contract, so long as those documents pertain to the awarding of the contract or contracts." "In addition, I request any correspondence including but not limited to letters, memos, emails, and texts between any officials of the Port Authority of New York and New Jersey and anyone else concerning the awarding of this contract or contracts, including by not limited to staff or board members of Legends and anyone who works for New York State under Governor Cuomo, including the Governor himself, and in New Jersey under Governor Christie, including the Governor himself."

FOI requests Received January 1, 2015 – December 31, 2015

15654	Andrea	Bernstein	Request for copies of "all schedules and phone logs for Executive Director Pat Foye, Deputy Executive Director Deborah Grammicione, Deputy Counsel Phillip Kwon, former Chairman David Samson, and current Chairman John Degnan, and DED Chief of Staff Nicole Crifo from the period January 1, 2014 through December 31, 2014, inclusive."
15655	Kevin	Glory	Request for a copy of the non-criminal incident report regarding the incident at the Gulf Gas Station, inside the Newark Liberty International Airport on October 13, 2014.
15656	Andrea	Bernstein	Request for copies of "any and all records of bills submitted, and records of payments made to outside attorneys for Port Authority staff, past or present, as the result of lane closures of the George Washington Bridge in September 2013 from October 1, 2014 through the present date." I request the records whether they exist in paper or electronic form, in "written or printed book, document, drawing, map, plan, photograph, microfilm, data processed or imaged processed document, information stored or maintained electronically or by sound recording or in a similar device, or any copy thereof, that has been made, generated, maintained, received in the course of transacting official business and kept on file."
