This edition of the Timetable, Map & Guide is intended as a **baseline only**. Schedules are subject to change on a weekly basis, and include both decreases and increases of service. Arrival and departure times at intermediate stops may vary based on operational conditions. Please allow for extra travel time, especially when making connections with other transit systems.

We encourage passengers to check the PATH weekly travel advisory online at www.panynj.gov/TrafficAdvisory. This advisory is updated every Friday evening and has the most up-to-date information concerning planned service changes to accommodate system maintenance and improvement work.

You can also call 800-234-PATH (7284) for updates, or pick up a passenger assistance phone to be connected to our control center. Finally, we encourage passengers to subscribe to PATHAlerts at www.pathalerts.com and follow us on Twitter at @PATHTrain to stay informed about schedule changes.

Please visit www.panynj.gov/path to learn more about work underway, and share your feedback at PATHCommunity@panynj.gov.

We appreciate your patience as we work to build a better PATH.
