## SECTION B

### GENERAL TERMINAL RULES AND REGULATIONS

SUBRULE 34-090 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
MARINE TERMINALS, CONDITION FOR USE OF

Any permission granted by the Port Authority directly or indirectly, expressly or by implication, to any person or persons to enter upon or use a terminal or any part thereof (including) watercraft operators, crew members and passengers, spectators, sightseers, pleasure and commercial vehicles, officers and employees of lessees and other persons occupying space at such terminal, persons doing business with the Port Authority, its lessees, sublessees and permittees, and all other persons whatsoever whether or not of the type indicated, is conditioned upon compliance with the Port Authority Rules and Regulations; and entry upon or into a terminal by any person shall be deemed to constitute an agreement by such person to comply with said Rules and Regulations; provided, however, that unless provision is made in the lease for application of said Rules and Regulations to the leased premises, such Rules and Regulations shall not apply to such leased premises.

SUBRULE 34-095 ISSUED 24 JANUARY 1994 EFFECTIVE 1 MAY 2009  
PUBLIC WHARVES, AUTHORITY TO USE

No person shall enter upon any public wharf, public mooring facility, public cargo facility or public storage area or facility at any Port Authority Marine Terminal except:

- (a) Such persons and their bona fide employees as may be authorized by law and permitted by the Port Authority to engage in the activities for which said areas have been provided by the Port Authority;
- (b) Duly authorized representatives or employees of the Port Authority or its contractors;
- (c) Representatives of employees of local, state and Federal Government or political subdivisions thereof duly authorized by law to enter thereon;
- (d) In accordance with 33 CFR Part 101.514, effective March 23<sup>rd</sup> 2009, all personnel, with the exception of federal officials, law enforcement or emergency workers engaged in official duties, requiring unescorted access to secure and/or restricted areas (which includes vessels and their berths) will be required to display a Transportation Worker Identification Credential (TWIC) at all times when in a secure or restricted area, above the waist and on the outermost garment; ID Card holders or pouches must use clear plastic and the TWIC must not be obscured in any way. All personnel, requiring access to the Port Authority's owned and/or operated facilities will also be required to carry their respective employer's or trade association identification card. All personnel requiring escorted access must contact the Manager;
- (e) Other persons granted permission to enter thereon by the Manager of a Marine Terminal at which such public wharf, area or facility is located.

SUBRULE 34-096 ISSUED 1 OCTOBER 2006 EFFECTIVE 1 OCTOBER 2006  
AUTHORIZATION TO USE AND PENALTY CHARGES ON SCHEDULE OF RATES

Failure to obtain authorization prior to the use of any areas of the Marine Terminals and/or failure to comply with the Rules and Regulations under Port Authority Marine Terminals FMC Schedule No. PA 10 will result in penalty charges assessed at twice the rate of the applicable stated fee. In addition, failure to comply with any of the Rules and Regulations covered in this document may result in future denial of port use.

SUBRULE 34-097 ISSUED 1 OCTOBER 2006 EFFECTIVE 1 OCTOBER 2006  
CERTIFICATION OF NON-SELF PROPELLED VESSELS

Prior to using or docking at a public berth, all non-self propelled vessels must have a Certificate of Documentation or other vessel certification on file with the Port Authority Manager of the Terminal. The certification must be submitted in writing by an executive officer of the company accepting billing responsibility and liability for the vessel. The certification must specify, at a minimum, the vessel owner, vessel name and markings used in identifying the vessel, and the overall length of the vessel. Any non-self propelled vessel found moored at a public berth without the aforementioned certification will be subject to subrule 34-096 and overall length of the vessel shall be determined by Port Authority field measurements by the Harbormaster or other Port Authority staff.

Any changes of ownership or billing responsibility and liability must be made to the Port Authority Manager of the Terminal within 5 business days of such changes. Failure to so advise the Port Authority of such changes will make the entities of record liable for all pertinent charges associated with the vessel.

SUBRULE 34-098 ISSUED 1 MAY 2009 EFFECTIVE 1 MAY 2009  
SUSPENSION OF ACCESS PRIVILEGES

In recognizing the efforts of the Transportation Security Administration regarding the issuance of a Transportation Workers' Identification Credential (TWIC); the Port Authority of New York and New Jersey intends to maintain the security of its facilities by reserving the right to suspend access privileges if the individual is convicted of any of (but not necessarily limited to) the following crimes: Unlawful possession, use, sale, manufacture, purchase, distribution, receipt, transfer, shipping, transporting, delivery, import, export of, or dealing in a firearm or other weapon, drugs and/or other controlled dangerous substances; Extortion; Identity Fraud to include false identification; Bribery; Perjury; Smuggling; Violations of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. 1961, et seq., or a State law that is comparable; Robbery/Theft/Burglary and related offenses; Criminal Trespass of Port Authority Property and/or its facilities; Terrorism/Terrorist Threats and/or other related offenses; Arson; Human Trafficking; Conspiracy or attempt to commit the above listed crimes

SUBRULE 34-100 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
VEHICLE LOADING OR UNLOADING

No person permitted to enter upon a public wharf, public mooring facility, public cargo facility or public storage area or facility at any Port Authority Marine Terminal, shall, while upon such area, hire any other person, there present, to perform loading or unloading of vehicles (other than railroad cars) unless such other person shall be a person authorized by law to perform such work at such place as an independent contractor.

SUBRULE 34-105 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
COMPLIANCE WITH GOVERNMENTAL REGULATIONS

All users of a terminal shall observe and comply with (and compel its and their officers, employees and agents and others doing business with it and them to observe and comply with) all governmental laws, rules, regulations, requirements, orders and directions which pertain or apply to the use of a terminal or to any of its or their operations at a marine terminal.

SUBRULE 34-106 ISSUED 1 MAY 2009 EFFECTIVE 1 MAY 2009  
SECURITY OF OPERATIONS AND FACILITY

Except when security guard services are provided as part of a Port Authority berth assignment permit, all users of a marine terminal or areas in, on, or immediately adjacent to (including but not limited to vessels

alongside) a marine terminal shall be fully responsible for and shall provide for all security necessary for all aspects of their operations, including but not limited to cargo and cargo handling, personnel matters, and all security-related documentation required by governmental entities. By using a marine terminal or areas in, on, or immediately adjacent to a marine terminal, the user acknowledges and accepts the responsibility for providing such security. Each such user shall indemnify and hold harmless the Port Authority, its commissioners, officers and/or employees from any and all liability, claims and demands relating in any way to compliance or noncompliance with the requirements of this section.

SUBRULE 34- 107 ISSUED 1 MAY 2009 EFFECTIVE 1 MAY 2009  
HELICOPTER FLY-IN/FLY-OUT

No person shall fly-in a helicopter to a public berth area to be loaded on to a vessel for export or fly-out from a public berth without permission of the Manager of the Marine Terminal. All fly-in/fly-outs must comply with the Helicopter Procedure, which will be provided when the initial notification is made upon the filing of the berth application using the FIRST Berth Application system.

SUBRULE 34-110 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
RESTRICTED AREA USE

No person shall enter any restricted area of a terminal posted as being closed to the public, except

- (a) persons assigned to duty therein;
- (b) authorized representatives of the Port Authority; and
- (c) persons having permission of the Manager.

SUBRULE 34-115 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
LOST ARTICLES

Any person finding lost articles at a terminal shall deposit them at the office of the Manager. Articles unclaimed by the owners in ninety days will be turned over to the finders thereof, unless found by Port Authority employees.

SUBRULE 34-120 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
COMMERCIAL ACTIVITY PROHIBITED

No person shall carry on any commercial activity at a terminal without the consent of the Port Authority. Applications for the right to conduct commercial strapping, reconditioning, weighing or sampling operations at a terminal shall be made to the Manager.

SUBRULE 34-125 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
BILL POSTING PROHIBITED

No person shall post, distribute or display signs, advertisements, circulars or printed or written matter at a terminal without permission.

SUBRULE 34-130 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
ASSIGNMENT OF RAILROAD CARS

The Manager shall have, in his sole discretion, when he deems it in the interest of overall efficient use of a terminal, the right to assign railroad cars using the tracks at a terminal to any specified location at a terminal and to limit the number of such cars permitted within any area at a terminal. The Port Authority

shall not be responsible for loss or damage or increased charges for transportation, switching or demurrage incurred as a result of such assignment or limitation by the Manager.

SUBRULE 34-131 ISSUED 1 OCTOBER 2006 EFFECTIVE 1 OCTOBER 2006  
REPORTING OF NON-INTERMODAL RAIL CARS AND USE OF RAIL TRACK ACTIVITY

On a daily basis the Trainmaster, or other designated responsible individual, of each railroad operator responsible for transport of the railroad cars must submit in writing to the Manager the scheduled activity of non-intermodal rail cars and the use of terminal rail track for that night prior to commencing rail operations at the New Jersey Marine Terminals. On the following day, the Trainmaster, or other designated responsible individual, of each railroad operator responsible for transport of the railroad cars must submit in writing to the Manager the actual activity of non-intermodal rail cars and the use of terminal track for the previous night. In the event of a holiday, this information must be provided on the first working day thereafter. Such report shall include, but not be limited to, the total number of rail cars transported to and from the terminal, the name of the tenant the rail cars were transported to and or from, the number of rail cars transported to and or from each such tenant, the cargoes transported in the rail cars, the weight of the cargoes transported, and the time and date of each transport. The railroad operator shall be responsible for providing these reports on a timely basis. Failure to submit such reports shall, upon written notice from the Manager, require the railroad operator to obtain prior authorization for each and every use of any areas of the terminal.

SUBRULE 34-132 ISSUED 1 NOVEMBER 2007 EFFECTIVE 1 OCTOBER 2009  
RAILROAD CAR, UNAUTHORIZED STORAGE

Unless otherwise provided in a lease or other agreement, no tenant shall allow its non-intermodal railroad cars to be serviced, stored or remain on a marine terminal in an area that is outside its leasehold. Without first obtaining the specific written permission of the Manager, such person or tenant shall be assessed the charge of **Twenty One Dollars and twenty two cents (\$21.22)** per railroad car per day.

SUBRULE 34-135 ISSUED 24 JANUARY 1994 EFFECTIVE 1 OCTOBER 2009  
SPACE, UNLEASED

Unless otherwise provided in a lease or other agreement, no person shall use any open or covered area of a terminal for storage of cargo or other property without the permission of the Manager. When the Manager deems that such use will not interfere with the operation of a terminal and such permission is granted, the charge for use of open area shall be at a rate of **fifteen and four tenth cents (15.4 cents)** per square foot for a period of ten (10) days or less provided, however, that there shall be a minimum charge of **One Thousand One Hundred Forty Eight Dollars (\$1,148.00)** for any such period; the charge for use of covered area shall be at the rate of **thirty two and one tenth cents (32.1 cents)** per square foot for a period of ten (10) days or less provided, however, that there shall be a minimum charge of **One Thousand One Hundred Forty Eight Dollars (\$1,148.00)** for any such period. Additionally, the user of the area shall when applicable be responsible for its apportioned share of utility charges for the subject property. These charges shall be apportioned based on the users occupied area.

If, notwithstanding the above prohibition, a person uses such areas for storage as aforesaid, without first obtaining such permission, then the Manager shall have authority to order the cargo or other property removed at the expense of the owner or consignee thereof, and the above rate shall apply for the time said cargo or other property has been so stored.

SUBRULE 34-140 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
SANITATION

No person shall place, discharge, or deposit in any manner, offal, garbage, or any other refuse in or upon a terminal, including the waters thereof.

SUBRULE 34-145 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
CARGO MOVEMENTS: IMPROPER HANDLING PROHIBITED

No cargo, goods or merchandise shall be moved across or upon or placed upon or allowed to remain upon any pier, bulkhead, platform, wharf, or other place at a terminal of such a nature or in such quantity or in such a manner as to endanger unreasonably or to be likely to endanger unreasonably person or property.

SUBRULE 34-150 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
CARGO HANDLING

All stevedoring work, and the handling of cargo to and from a terminal, must be performed in a manner and with equipment satisfactory to the Port Authority from a safety standpoint, but the Port Authority assumes no responsibility for the performance of such work.

SUBRULE 34-155 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
REFUSE REMOVAL

All litter, dunnage and refuse of all kinds shall be cleaned and disposed of by the persons responsible therefore. Otherwise the work will be performed by the Port Authority and the cost thereof charged against such persons.

SUBRULE 34-160 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
EXPLOSIVES, DANGEROUS ARTICLES AND COMBUSTIBLE LIQUIDS

No watercraft carrying explosives (other than ammunition for small arms or any explosives required by law to be carried by such watercraft) or inflammable liquids in bulk (having a flash point of 80 Fahrenheit or lower, open cup test) will be permitted to moor at a terminal, unless permission has been obtained in advance from the Port Authority.

SUBRULE 34-165 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
GAS FREE CERTIFICATION

No watercraft last used for the bulk transportation of inflammable liquids (having a flash point of 80 Fahrenheit or lower, open cup test), or inflammable compressed gases, shall be berthed at a terminal unless written permission has first been obtained from the Manager.

SUBRULE 34-170 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
FISSIONABLE MATERIALS

No person shall store, keep, handle, use, dispense, or transport at, in, or upon a terminal, any special nuclear material, including, but not limited to Uranium 233, Uranium 235, Plutonium 239; any source material, including, but not limited to uranium, thorium, any irradiated fuel elements; any new reactor fuel or elements; any radioactive waste material; any radioactive material moving under special Bureau of Explosives permit or Special AEC permit and escort; without twenty-four hour prior notice and the specific

permission to move such material through the facility by the facility manager; provided no permission or notice is required for the movement of medical or industrial isotopes other than those specifically included in the aforementioned, when packaged, marked, labeled and limited as to quantity and radiation emissions in accordance with Hazardous Materials Regulations of the D.O.T. and USCG Regulations relating to the "Transportation of Explosives and other Dangerous Articles".

SUBRULE 34-175 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
 DANGEROUS ARTICLES - HANDLING LIMITATIONS

Dangerous articles as defined by the Hazardous Materials Regulations of the D.O.T. and USCG Regulations titled, "Transportation of Explosives and other Dangerous Articles" in quantities exceeding the amounts indicated in the accompanying table shall not be handled, stored or transferred at a terminal without the permission of the Port Authority. Application for such permission shall be made to the Manager at least twenty-four hours prior to the time any such movement is contemplated.

Table of Limitations

1.	Explosives - classes A, B and C	Any amount
2.	Flammable liquids, in containers	One ton
3.	Oxidizing materials	10 tons
4.	Flammable solids	10 tons
5.	Compressed gases, flammable	One ton
6.	Compressed gases (chlorine, anhydrous ammonia, fluorine)	Any amount
7.	Compressed gases, other than 5 and 6 above	Ten tons
8.	Poisons (Class A) gases	Any amount
9.	Poisons (Class C) tear gas	Any amount
10.	Poisons (Class B) Liquids - bromine, methyl bromide	Any amount
11.	Corrosive Liquids, acids	Over one ton
12.	Combustible liquids in containers	Over ten tons

SUBRULE 34-180 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
 EXPLOSIVE MATERIALS

No person shall store, keep, handle, use, dispense or transport at, in or upon a terminal, any dynamite, nitroglycerin, black powder, fireworks, blasting caps or other explosives, gasoline, alcohol, ether, liquid shellac, kerosene, turpentine, formaldehyde or other inflammable or combustible liquids, ammonium nitrate, sodium chlorate, wet hemp, powdered, metallic magnesium, nitro-cellulose film, peroxides, or other readily inflammable solids or oxidizing materials, hydrochloric acid, sulfuric acid or other corrosive liquids, prussic acid, phosgene, arsenic, carbolic acid, potassium cyanide, tear gas, lewisite or any other poisonous substances, liquids or gas, or any compressed gas, or any radio-active article, substance or material, at such time or place or in such manner or condition as to endanger unreasonably or as to be likely to endanger unreasonably persons or property.

SUBRULE 34-185 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
 NUCLEAR WEAPONS

No person shall, at any time, store, keep, handle, use or transport at, in or upon a terminal any weapon of war employing atomic fission or radioactive force.

SUBRULE 34-190 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
DANGEROUS ARTICLES - HANDLING

Unless permission is first obtained dangerous articles shall only be received between the hours of 8:00 A.M. and 5:00 P. M. and shall only be handled or floored as follows:

- (a) Maximum separation shall be provided for all dangerous articles to prevent impact with vehicles.
- (b) Flammable liquid (red D.O.T.--Hazardous Material label) in excess of five gallons shall not be stored or handled in cargo sheds, but shall be transferred directly between ship and truck, provided flammable liquids may be temporarily stored in assigned upland areas when protected from vehicle impact and floored not less than 75 ft. distance to other buildings. Flammable liquids or solids subject to effects of excess heating from sun's reaction (nitro-cellulose carbon bisulfide) shall be shaded with tarpaulin or suitable noncombustible sun sheds.
- (c) Inflammable liquids and compressed gases shall be so handled and floored upon terminal premises as to provide maximum separation from freight consisting of acids or other corrosive liquids.
- (d) Inflammable solids or oxidizing materials shall be so arranged as to prevent moisture or acids and other corrosive liquids from coming in contact therewith.
- (e) Acids and other corrosive liquids shall be so handled and floored as to prevent contact with other dangerous articles and organic materials in the event of leakage.
- (f) Poisons shall be so handled and floored as to prevent their contact with acids, corrosive liquids or inflammable liquids.
- (g) All dangerous articles shall be arranged in such a manner as to retard the spread of fire. This shall be accomplished by interspersing piles of dangerous freight between piles or inert of less combustible materials.

SUBRULE 34-191 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
DANGEROUS ARTICLES - HANDLED CONTAINERS

1. Containers transporting dangerous articles as defined under U.S. Coast Guard regulations shall be properly identified, stored in a location designated by the manager and handled as follows:

- (a) Dangerous cargo containers, liquid or dry, shall be stored in such a manner as to be readily accessible to fire department operations. They shall be stored on an access aisle and never enclosed by other containers.
- (b) The storage area shall be within 500 feet of a fire hydrant.
- (c) A portable 150 pound dry chemical fire or CO<sub>2</sub> extinguisher shall be provided and stationed no more than 100 feet from the storage area.
- (d) Storage areas for dangerous cargo containers shall be kept clear of rubbish and other debris.
- (e) Containers under refrigeration or heating, employing fuel-fire eaters or engine-driven refrigeration machinery, shall be separated from other containers, and a 150 pound wheeled dry chemical extinguisher shall be stationed within 100 feet of such containers.

2. The transfer of flammable or combustible liquids from tank vehicles to portable cargo tanks either aboard ship or on the wharf shall not be conducted except under specific permission of the manager and under conditions established by him as a part of the permission. A standby fire watch with a 150 pound portable dry chemical fire extinguisher shall be available during any transfer operation.

3. For the purpose of these regulations liquid containers previously containing a flammable liquid, combustible liquid, flammable gas, poison class A or any other similar dangerous article will be treated as a loaded container.

SUBRULE 34-195 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
SISAL, HEMP OR BALED FIBERS - HANDLING

Sisal, hemp or other baled fibers shall not be handled, loaded or unloaded at a terminal without permission. These materials shall unless permission is secured, be unloaded to lighters (covered barge); if such materials are unloaded onto a mooring facility with such permission, then shall be removed therefrom immediately after unloading unless the Manager otherwise permits. Stacks shall not be higher than twelve feet, or when palletized, three pallets high, except by permission of the Manager. The sides exposed to aisles or driveways shall be protected with tarpaulins when the Manager shall so direct. Access to the areas where such material is stored shall be limited to the working personnel and watchmen only.

SUBRULE 34-200 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
CARGO - WET OR FIRE DAMAGED

Wet or fire damaged cargo shall not remain on any wharf or other portion of a terminal without permission.

SUBRULE 34-205 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
RESPONSIBILITY FOR INJURIES AND DAMAGE

Any person causing any damage to Port Authority property shall be required to pay to the Port Authority on demand the full cost of repairs, or to reimburse the Port Authority for the full amount of the damage.

SUBRULE 34-210 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
LOSS OR DAMAGE - PORT AUTHORITY NOT LIABLE

The Port Authority shall not be liable for loss or damage to any watercraft or to any merchandise or cargo at the terminal.

This provision subject to SUBRULE 34-001.

SUBRULE 34-215 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
SAFETY AND FIRE PREVENTION

No person shall store, handle, dispense, keep or use any gasoline distillate or other liquid petroleum products, other than lubricating oils, at a terminal except at such places and under such condition as may be especially designated by the Executive Director; provided, however, that any retail sale or delivery of such products in bulk shall be made from any by means of pipe and hose equipped and provided with connections and valves, as approved by the Manager, and at such places as may be so designated therefore. Such gasoline, distillate or other liquid petroleum products shall not be handled or delivered between sunset or sunrise, unless the premises are lighted only by incandescent electric lights, properly protected.

SUBRULE 34-220 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
FUELING WATERCRAFT

Nothing herein contained shall prevent dispensing of such products provided at retail from barges to watercraft direct, provided such barges are moored at such places as the Manager may direct.

SUBRULE 34-225 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
FIRE HAZARDOUS VEHICLES OR EQUIPMENT PROHIBITED

No person shall use any donkey engine or other steam engine anywhere within a terminal area without an approved spark arrestor attached to the smoke stack of such engine, and no person shall operate any tractor, truck or other equipment driven by internal combustion engines within a terminal, if the construction or condition of such equipment constitutes a fire hazard in the opinion of the Manager.

SUBRULE 34-230 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
INDIVIDUALS PROHIBITED FROM ENDANGERING OTHERS AT TERMINAL

No person shall, in or upon a terminal do or omit to do any act if the doing or omission thereof endangers unreasonably or is likely to endanger unreasonably person or property.

SUBRULE 34-235 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
LIFE SAVING EQUIPMENT, USE OF

No person shall remove, tamper with, or handle life preservers, emergency ladders and fire fighting equipment at a terminal except for emergencies for which they are intended.

SUBRULE 34-240 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
SMOKING OR OPEN FLAMES PROHIBITED

No person shall smoke or carry lighted cigars, cigarettes, pipes, matches or use any naked flame or bonfire in or upon any portion or area of a terminal used for the loading, unloading, handling or holding of cargo, or on the open deck.

SUBRULE 34-245 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
TRAFFIC AND PARKING

No vehicles, unless engaged in the transportation of passengers or property shall be allowed in any mooring facility; provided however, that nothing in this paragraph shall be construed to prohibit access to the mooring facilities by vehicles on emergency calls or by vehicles owned or operated by the Port Authority.

SUBRULE 34-250 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
ENGINE REFUELING RULES

No internal combustion engine fuel tank shall be filled or refilled with gasoline at or on any mooring facility or inside any building at a terminal.

SUBRULE 34-255 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
VEHICLE REFUELING RULES

Vehicles and equipment using gasoline or diesel oil as fuel shall be refueled from:

- (a) UL approved safety cans fitted with a flexible spout for easy pouring, or
- (b) Approved underground storage and dispensing systems. Any other method of refueling must be approved by the Manager.

SUBRULE 34-260 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
ABANDONED VEHICLES.

Any vehicle of any description which shall be left unclaimed for a period of twenty-four (24) hours at a terminal may be parked, garaged or stored at the risk and expense of the owner.

SUBRULE 34-265 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
ABANDONED VEHICLES - DISPOSITION

Any such vehicle not claimed by the owner thereof at the expiration of thirty (30) days shall be disposed of by the Port Authority in the manner provided by law.

SUBRULE 34-270 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
VEHICLES - SPEED LIMITS

Vehicles at a terminal shall be operated in strict compliance with speed limits prescribed by the Port Authority as indicated by posted traffic signs.

No vehicle shall be driven on any mooring facility at a greater speed than twelve (12) miles per hour. (See Note 1)

Note 1 - For speed limits at Port Newark and Elizabeth Port Authority Marine Terminal see maps in the appendix. (Available from Port Authority of New York and New Jersey - Tariff PA -010)

SUBRULE 34-275 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
PARKING

No person shall park a vehicle within any public vehicular parking area except upon the payment of such parking fees and charges as may from time to time be prescribed by the Port Authority.

SUBRULE 34-276 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
VEHICLE PARKING - UNAUTHORIZED

Vehicles at a terminal shall be parked in strict compliance with posted signs.

Vehicles parked in violation of posted signs, in addition to other penalties, may be towed away and stored at the risk and expense of the owner thereof.

SUBRULE 34-280 ISSUED 24 JANUARY 1994 EFFECTIVE 31 JANUARY 1994  
MATERIALS HANDLING EQUIPMENT - PERMIT TO USE

No motorized equipment except over-the-road trucks (not including straddle lift trucks) used or to be used in the handling of waterborne freight in or upon a public wharf, public mooring facility, public cargo facility or public storage area or facility at any Port Authority Marine Terminal shall be operated in or upon any such public wharf, facility or area except by persons authorized by the Manager of the Marine Terminal who may require that there be displayed on such motorized equipment identifying symbols or numbers.

LAWS OF NEW JERSEY, 1951

CHAPTER 239

AN ACT prescribing proceedings and penalties for violation of certain rules and regulations of the Port of New York Authority within the State of New Jersey.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Port of New York Authority (hereinafter called the "Port Authority") having duly adopted the following rules and regulations governing traffic on air terminal highways and marine terminal highways in the air terminal and marine terminals operated by it within the territorial limits of the State of New Jersey, hereinafter set forth in this section, the penalties and procedures for their enforcement prescribed in sections two, three and four shall apply to violations thereof.

RULES AND REGULATIONS

Governing Traffic on Highways in Port Authority  
Air and Marine Terminals

The following terms are used herein shall have the indicated meanings:

"Air terminals" shall mean developments operated by the Port Authority consisting of runways, hangars, control towers, ramps, wharves, bulkheads, buildings, structures, parking areas, improvements, facilities or other real property necessary, convenient or desirable for the landing, taking off, accommodation and servicing of aircraft of all types, including but not limited to airplanes, airships, dirigibles, helicopters, gliders, amphibians, seaplanes, or any other contrivance now or hereafter used for the navigation of or flight in air or space, operated by carriers engaged in the transportation of passengers or cargo, or for the loading, unloading, interchange or transfer of such passengers or their baggage, or such cargo, or otherwise for the accommodation, use or convenience of such passengers, or such carriers or their employees, or for the landing, taking off, accommodation and servicing of aircraft owned or operated by persons other than carriers.

"Air terminal highway" shall mean and include those portions of an air terminal designated and made available temporarily or permanently by the Port Authority to the public for general or limited highway use.

"Marine terminals" shall mean developments operated by the Port Authority consisting of one or more piers, wharves, docks, bulkheads, slips, basins, vehicular roadways, railroad connections, side tracks, sidings or other buildings, structures, facilities or improvement, necessary or convenient to the accommodation of steamships or other vessels and their cargoes or passengers.

"Marine terminal highway" shall mean and include those portions of a marine terminal designated and made available temporarily or permanently by the Port Authority to the public for general or limited highway use.

"Traffic" shall mean and include pedestrians, animals and vehicles.

No vehicle shall be operated on any air terminal highway or marine terminal highway carelessly or negligently, or in disregard of the rights of safety of others, or without due caution and circumspection, or at a speed or in a manner so as to endanger unreasonably or to be likely to endanger unreasonably persons or property, or while the operator thereof is under the influence of intoxicating liquors or any narcotic or

habit-forming drug, nor shall any vehicle be operated thereon if it is so constructed, equipped or loaded as to endanger unreasonably or to be likely to endanger unreasonably persons or property.

All persons on any air terminal highway or marine terminal highway must at all times comply with any lawful order, signal or direction by voice or hand of any member of the Port Authority Police force. When traffic is controlled by traffic lights, signs, or by mechanical or electrical signals, such lights, signs, and signals shall be obeyed unless a Port Authority police officer directs otherwise.

Unless otherwise directed, all vehicles on any air terminal highway or marine terminal highway shall at all times stay to the right of the center of the roadway, except in the case of one-way roadways; slow-moving vehicles shall remain as close as possible to the right-hand edge or curb of the roadway; and where a roadway is marked with traffic lanes, vehicles shall not cross markings.

No person shall operate a motor vehicle on an air terminal highway or marine terminal highway unless he is duly authorized to operate such vehicle on State and municipal highways in the State in which such air terminal highway or marine terminal highway is located, or unless he is especially authorized by the Port Authority to operate motor vehicles on such air terminal highway or marine terminal highway. No motor vehicle shall be permitted on any air terminal highway or marine terminal highway unless it is registered in accordance with the provisions of the law of the State in which such air terminal highway or marine terminal highway is located, or unless it is especially authorized by the Port Authority to be operated on such air terminal highway or marine terminal highway.

The operator of any vehicle involved in an accident on an air terminal highway or marine terminal highway which results in injury or death to any person or damage to any property shall immediately stop such vehicle at the scene of the accident, render such assistance as may be needed, and give his name, address and operator's license and registration number to the person injured or to any officer or witness of the injury. The operator of such vehicle shall make a report of such accident in accordance with the law of the State in which such accident occurred.

No person shall transport on any air terminal highway or marine terminal highway any dynamite, nitroglycerin, black powder, fireworks, blasting caps or other explosives, gasoline, alcohol, ether, liquid shellac, kerosene, turpentine, formaldehyde or other inflammable or combustible liquids, ammonium nitrate, sodium chlorate, wet hemp, powdered metallic magnesium, nitrocellulose film, peroxides, or other readily inflammable solids or oxidizing materials, hydrochloric acid, sulfuric acid or other corrosive liquids, prussic acid, phosgene, arsenic, carbolic acid, potassium cyanide, tear gas, lewisite, or any other poisonous substances, liquids, or gases, or any compressed gas, or any radioactive article, substance or material, at such time or place or in such manner or condition as to endanger unreasonably or as to be likely to endanger unreasonably persons or property; nor shall any person park any vehicle, or permit the same to remain halted on any air terminal highway or marine terminal highway containing any of the foregoing, at such time or place or in such manner or condition as to endanger unreasonably or as to be likely to endanger unreasonably person or property.

No person shall park a vehicle or permit the same to remain halted on any air terminal highway or marine terminal highway except at such places and for such periods of time as may be prescribed or permitted by the Port Authority.

If the violation within the State of any of the rules and regulations set forth in section one hereof, would have been a violation of law or ordinance if committed on any public road, street, highway or turnpike in the municipality in which such violation occurred, it shall be tried and punished in the same manner as if it had been committed in such municipality.

Notwithstanding the provisions of section two hereof, if the violation within the State of the rule and regulation numbered by seven and set forth in section one hereof shall result in injury or death to a person or persons or damage to property in excess of the value of five thousand dollars (\$5000.00), such violation shall constitute a high misdemeanor.

Except as provided in sections two and three hereof, any violation within the State of any of the rules and regulations set forth in section one hereof, shall be punishable by a fine not exceeding five hundred dollars (\$500.00) or by imprisonment not exceeding sixty days or by both such fine and imprisonment. Such a violation shall be tried in a summary way and shall be within the jurisdiction of and may be brought in the county district court, or any criminal judicial district court, municipal court, or existing police, magistrate's or recorder's court, in the county where the offense was committed. The rules of the Supreme Court shall govern the practice and procedure in such proceedings. Proceedings under this section may be instituted on any day of the week, and the institution of the proceedings on a Sunday or a holiday shall be no bar to the successful prosecution thereof. Any process served on a Sunday or a holiday shall be as valid as if served on any other day of the week.

The penalties above prescribed shall not preclude the Port Authority from excluding from any air terminal highway or marine terminal highway, permanently or for a specific time, all vehicles violating any of the rules and regulations set forth in section one hereof, as well as other vehicles owned or operated by the owner or operator of such vehicles.

Nothing herein contained shall be construed to affect, diminish or impair the power of this State to enact any law, or to impair or diminish, or as recognition of the impairment or diminution of any power of this State legislative or otherwise, with respect to the Port Authority, its properties, or persons or property thereon.

This act shall take effect upon the adoption by the States of New Jersey and New York of concurrent legislation providing that either state, without the consent or concurrence of the other State, may from time to time prescribe, amend, modify or rescind penalties for violations within its territorial limits of any rule or regulation, otherwise authorized, of the Port of New York Authority, and procedures for the enforcement of such penalties; but if the States of New Jersey and New York shall have already enacted such legislation (1), this act shall take effect immediately.

Approved June 19, 1951

### CHAPTER 170

AN ACT, prescribing proceedings and penalties for violation of a rule and regulation of the Port of New York Authority relating to smoking at, on or in air or marine terminals owned or operated by the Port of New York Authority within the State of New Jersey:

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

The Port of New York Authority (hereinafter called the "Port Authority") having duly adopted the following rules and regulations, hereinafter set forth in this section, in relation to smoking at, on, or in air terminals and marine terminals operated by it within the territorial limits of the State of New Jersey, the penalties and procedures for its enforcement prescribed in section two shall apply to violations thereof.

(1) No person shall smoke, carry or possess a lighted cigarette, cigar, pipe, match, or other lighted instrument capable of causing naked flame in or about the area, building or appurtenance of an air terminal, owned or operated by the Port Authority, or upon any area, bulkhead, dock, pier, wharf, warehouse, building, structure, or shed of a marine terminal, owned or operated by the Port Authority, where smoking has been prohibited by the Port Authority, where appropriate signs to that effect have been posted, or on the open deck of any ship, lighter, carfloat, scow or other similar floating craft or equipment when berthed or moored at such dock, wharf, pier or to a vessel made fast thereto.

(2) Any violation within the State of the rule and regulation set forth in section one hereof shall be punishable, for a first offense, by a fine of not more than fifty dollars (\$50.00) or imprisonment for not more than thirty days or by both such fine and imprisonment; for a second offense, by a fine of not less than twenty-five dollars (25.00) nor more than one hundred dollars (\$100.00) or imprisonment for not more

than sixty days or by both such fine and imprisonment; for a third or any other subsequent offense, by a fine of not less than fifty dollars (\$50.00) nor more than two hundred dollars (\$200.00) or by imprisonment for not more than sixty days or by both such fine and imprisonment. Such a violation shall be tried in a summary way and shall be within the jurisdiction of and may be brought in the county district court, or any criminal judicial district court, municipal court, or existing police, magistrates' or recorder's court, in the county where the offense was committed. The rules of the Supreme Court shall govern the practice and procedure in such proceedings. Proceedings under this section may be instituted on any day of the week, and the institution of the proceedings on a Sunday or a holiday shall be no bar to the successful prosecution thereof. Any process served on a Sunday or holiday shall be as valid as if served on any other day of the week.

(3) This act shall take effect immediately.

SUBRULE 34-357 ISSUED 1 JULY 2004 EFFECTIVE 1 JULY 2004  
DECLARATION OF SECURITY – DEFINED

An agreement executed between the responsible Vessel and Facility Security Officers that provides a means for ensuring that all shared security concerns are properly addressed and security will remain in place throughout the time a vessel is moored to the facility.

SUBRULE 34-360 ISSUED 25 JANUARY 1994 EFFECTIVE 1 JULY 2004  
BERTH ASSIGNMENT PERMIT - APPLICATION

Applications for such permits shall be made electronically via the Port Authority's on-line berth application system at [www.firstnynj.com](http://www.firstnynj.com).

*The Terms of Use, along with the FIRST Terms of Use and [Privacy Statement](#), constitute a contract with the Port Authority with respect to your use of the FIRST Web site (which includes all information accessible through the uniform resource locator [firstnynj.com](http://firstnynj.com) (other than any information accessible through hyperlinks to other Web sites) and is hereinafter referred to as the "Site"). Your use of the Site will constitute your express acknowledgment of and agreement to the terms, disclaimers and conditions of use contained therein as the same may be hereafter supplemented, modified and amended from time to time.*

Applicant will acknowledge receipt of a copy of FMC Schedule No. PA-10 naming Rules, Regulations, Rate and Charges applying to Port Authority Marine Terminals as of March 6, 1966 and supplements thereto, and will agree to comply with all the terms thereof; notwithstanding the same, it will be expressly agreed that the person, firm or corporation signing this application whether on its own behalf or that of another, whether or not as agent, broker or in another capacity, shall by submitting this application become personally and directly liable to the Port Authority for the payment of all charges and for the performance of all terms set forth in the said Schedule.

In this respect, the Port Authority requires the party authorizing and requesting berth applications (Application) for vessels docked at Port Authority Marine Terminals be fully responsible for all vessel expenses accrued. This will include but is not limited to security guard coverage, dockage, wharfage and water, at designated berths. The Port Authority will provide billings for such services.

SUBRULE 34-361 ISSUED 1 JULY 2004 EFFECTIVE 1 **OCTOBER 2009**  
BERTH ASSIGNMENT PERMIT – APPLICATION FEE

When Berth Assignment Permit Application is submitted electronically via [www.firstnynj.com](http://www.firstnynj.com) \$ 0.00 per application request

When Berth Assignment Permit Application is not submitted electronically via [www.firstnynj.com](http://www.firstnynj.com) , at least 4 days prior to the estimated arrival of the vessel **\$596.00** per application request

SUBRULE 34-362 ISSUED 1 JULY 2004 EFFECTIVE 1 OCTOBER 2006  
SECURITY GUARD SERVICES FOR BERTH ASSIGNMENT PERMIT – DEFINED

The Port Authority assigns a security guard service to cover each berth for each Berth Assignment Permit. Security guards, and any necessary supervisory coverage, are assigned on an hourly basis and are assigned to cover the berth at least one hour prior to the first docking line being secured and at least one hour after the last docking line has been released. The Berth Applicant is responsible for all fees or charges for the security guard services. Overtime rates are charged starting at 12:01 a.m. Saturday morning and ending Sunday night at 11:59 p.m. Overtime rates will also be charged during holidays and when an individual exceeds 40 hours for a given workweek, or eight (8) hours for a given shift is exceeded.

SUBRULE 34-363 ISSUED 1 JULY 2004 EFFECTIVE 1 MAY 2009  
SECURITY GUARD SERVICES FOR BERTH ASSIGNMENT PERMIT – FEES

Security Guard Services [straight time]	\$ 68.48 per hour [or part thereof]
Security Guard Services [overtime]	\$ 83.27 per hour [or part thereof]
Minimum charge [straight time]	\$ 547.84 [8 hours]

As per Subrule 34-365, for any changes to a Berth Assignment Permit, within 24 hours of the estimated arrival of the watercraft, the person who received the Berth Assignment Permit will continue to be liable and billed for all necessary charges from the original permit, including but not limited to billings for security guard services.

The Authority may require that any vessel, which expects to have visitors of any kind, hire additional security guards. At elevated MARSEC levels, an additional security guard(s) would be required of all vessels and would serve as the escort.

SUBRULE 34-365 ISSUED 25 JANUARY 1994 EFFECTIVE 1 OCTOBER 2005
