December 2010

Monthly Traffic Report

**Newark Liberty International
John F.Kennedy International**

LaGuardia

Stewart International

**Teterboro &
regional satellite airport summaries**

Aviation Department - Traffic Statistics

Doug Wilson
John Cuneo
Deysi Mesa

Notes1: The section entitled Air Transport Association Carriers is included to give a comparison between Port Authority Airport traffic growth and aggregate growth as measured by the majority of the U.S. carrier industry.

Note2: The page 2 Access Mode: residents report excludes passengers arriving by hotel courtesy vehicles, helicopters, and the miscellaneous "other" category. The airline OAG summary uses schedules effective for the week in the middle of the month being summarized."Flights (daily) refers to the daily-each-way average flights which can be thought of as 1 directional departing or arriving flights.

Aviation Department

After two successive declines in 2008 and 2009, our region's 2010 traffic performance was a refreshing change. Our airports handled 104 million passengers compared 101.9 million in 2009. Growing at 2.1% our region's overall passenger traffic: • was faster than the rate of the nation's increase in passenger traffic; • increased by 2.1 million compared to 2009. • International led the recovery with a growth of 5.6% compared to 0.4% domestic. • In 2010, the region's cargo grew 16.8% after five successive years of consistent decline.
