

## Aviation Department

ACY's passenger traffic fell 5.6 percent in July, and YTD activity is in negative territory, down 0.3 percent. Spirit's performance was below expectations. Growth fell in each of its nine markets, particularly at Fort Lauderdale and Orlando. As a result, it carried 4,264 fewer passengers (a 4.4 percent decline) Declining activity in Spirit's Florida markets is a concern as it may portend continuing weakness in the months ahead. Air Canada boosted traffic slightly, adding nearly 1,447 passengers in July. However, this contribution was not sufficient to replace the loss of United's monthly volume of nearly 3,000 passengers.
